FOR COUNCIL MEETING OF May 25, 2004

SUMMARY

This report sets forth the work process steps for the City’s Internal Audit Manager and provides a preliminary Internal Audit Workplan for FY2004/2005. The Internal Audit Manager seeks comments and feedback from the Mayor and City Council on the preliminary Annual Internal Audit Workplan.

Following comments and feedback, a final FY 2004/2005 Annual Internal Audit Workplan will be resubmitted for City Council approval.
BACKGROUND

The Internal Auditor functions as an objective evaluator of the effectiveness of all City activities, operations, services and programs, ensuring compliance with organizational policies and procedures, state statutes, and federal regulations. The Internal Audit Manager reports to the City Manager, with access to the City Council, and maintains organizational and operational independence from all other departments within the City. The results of all completed projects are required to be presented to the City Manager and the City Council.

Procedures
The City Manager's internal operating procedures require the submission of an Annual Internal Audit Workplan for the City Council's approval. The Annual Internal Audit Workplan contains the planned projects to be completed during the current fiscal year. Significant audit fieldwork cannot proceed without the review of the City Manager and the approval of a majority of the City Council.

Responsibility
The Internal Audit Manager is responsible for preparing the Annual Internal Audit Workplan for review by the City Manager and subsequent submission to the City Council.

Work Process
The approval of the Annual Internal Audit Workplan is a critical step in the audit work process. Significant audit fieldwork cannot proceed without the review of the City Manager and approval of the City Council.

Modifications and Changes
The Annual Internal Audit Workplan is routinely modified as circumstances change throughout the year. However, changes will only be made at 1) the direction of the City Manager and City Council or 2) following changes initiated by the Internal Audit Manager and subsequently authorized by the City Manager and City Council.

FINANCIAL CONSIDERATIONS

No additional financial considerations.

ENVIRONMENTAL CONSIDERATIONS

This activity does not constitute a "project" and is therefore exempt from the California Environmental Quality Act (CEQA), CEQA Guidelines Sections 15061(b) and 15378(b)(3).
POLICY CONSIDERATIONS

The Internal Audit Manager’s presentation of the Annual Internal Audit Workplan is consistent with the City Council policy to add the function of Internal Audit Manager for the City of Sacramento.

ESBD Considerations

No goods or services are to be purchased.

Respectfully submitted,

MARTIN KOLKIN
Internal Audit Manager
