PETE WILSON, Governor

April 2, 1996

See Attached List:

The *Capitol* Corridor Amtrak California trains stop in your community three times each day. Many of your residents enjoy the benefits of train travel, and your community's merchants and businesses no doubt appreciate the additional commerce the train brings their way. Train passengers travel for pleasure and for business purposes. Last year over 343,000 passengers traveled on the *Capitols*. This year ridership is even _______ higher.

Beginning April 14, an additional round-trip train will be added to the *Capitol* Corridor. Our service is expanding, and we would like to form a partnership with you and your community to inform your residents of the benefits of train travel. Some of the areas in which we would like your assistance include:

- Placing train schedules in local utility bills or other city- and county-wide mailings.
- Support of city and local business employees wishing to use the *Capitol* trains while on business trips.

I have appointed Eileen Hook of my staff to work with representatives of *Capitol* Corridor communities. Ms. Hook is available to provide ticket block information for cities and community businesses, pocket-size train schedule inserts, Amtrak California brochures, and teacher information packets.

Ms. Hook can also work with your representative to schedule presentation time on City Council/Board of Supervisor agendas to introduce the *Capitol* Corridor service, and answer questions from meeting attendees. Similar presentations can also be made to schools and special interest groups such as scouts, senior citizens, and community service organizations. Presentations would include a video overview of the Amtrak California system (time permitting), distribution of timetables, discussion of travel opportunities, and information about the ease of train travel.

Sincerely,

SF Muni (see below) runs several bus routes connecting the CalTrain station with other parts of San Francisco, including the Amtrak stop at the Ferry Building, and the Down-town/Union Square stop at 4th and Market . Amtrak's San Jose station is served by CalTrain and the Amtrak Gilroy bus stop is in front of the CalTrain station.

Passengers traveling between San Francisco or Peninsula points and Santa Cruz may transfer between CalTrain and the Amtrak bus at San Jose. Likewise, passengers traveling to or from Gilroy, Salinas or Monterey may also transfer between CalTrain and the Amtrak bus at San Jose.

Separate tickets are required for Caltrain and Amtrak.

CalTrain tickets may be purchased at staffed stations, from ticket vending machines, or on board trains (although a surcharge may apply if boarding at a staffed station).

San Francisco Municipal Railway (Muni) operates frequent transit service throughout San Francisco.

Five Muni-Metro Routes (J-Church, K-Ingleside, L-Taraval, M-Oceanview and N-Judah) operate in the Market Street Subway in Downtown San Francisco, and then come to the surface in the western and southwestern areas of the city. All five routes begin at the Embarcadero Station, approximately two blocks from the Amtrak Ticket Office/Bus Stop at the Ferry Building.

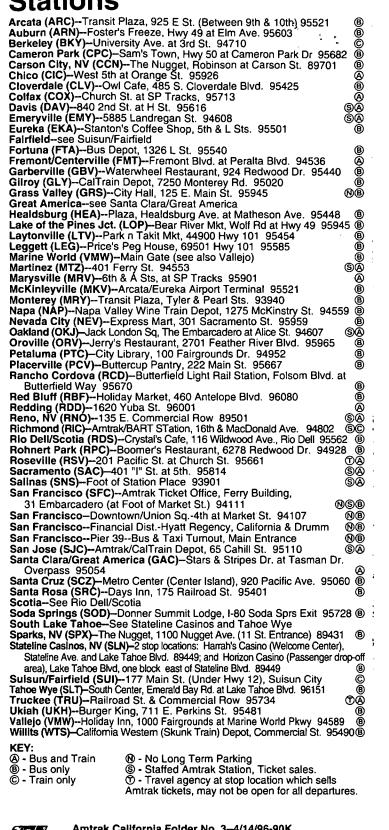

Three Cable Car routes also serve San Francisco. The California Street route terminates adjacent to the BART/Muni Metro Embarcadero Station and follows California Street west to Van Ness Ave. The other two routes begin at the Powell Street BART/Muni Metro Station, and connect Downtown San Francisco with the Fisherman's Wharf area on the northern waterfront.

The F-Market Streetcar line provides frequent service along Market Street from the Trans Bay Terminal (First and Mission Streets) through Downtown San Francisco to the Upper Market/ Castro area at Market and Castro Streets.

Muni also operates bus and trolleybus service in all parts of San Francisco. Most routes operate at least every 20 minutes (many operate much more frequently), and most operate at least until Midnight. Owl service is available to all areas.
