- B. CALTRANS and the CITY entered into a Freeway Agreement dated July 30, 1965, related to that portion of State Route 99 / Interstate 80 from 5th Street to A Street;
- C. The CITY is currently working on a Complete Streets project and proposes to reestablish a previously closed public road (29th Street) within the US 50 / SR 99 interchange between X Street and Broadway;
- D. The work will include the reestablishment of 29th Street. 29th Street will include 2 vehicular lanes, bike lanes, sidewalks, and a new traffic signal at the southbound SR 99 on-ramp intersection;
- E. The proposed improvements are needed to move regional traffic volumes away from Broadway to the adjacent parallel street, X Street, improve access to State Route 99, and improve comfort for nonmotorized users along the Broadway corridor; and
- F. The revisions to the existing freeway interchange described above and those shown on Exhibit “A,” which is attached hereto and incorporated herein by this reference, require minor revisions to the current Freeway Agreements.
