LOCAL ISSUES			
AB 545 (Steinberg)	Location of state offices. This bill would make it a policy of the state, in selecting locations to lease or construct buildings for the conduct of state business, to give consideration to the community to be served by the facility, the nature of the state tenant agency's programs, facility requirements, the goal of minimizing state costs, the availability of existing state-owned property suitable for the intended use, and specified locational criteria. The bill would require the department to give consideration to sites within existing mixed-use or commercial districts that have the greatest number of certain specified characteristics.	To Governor	Sacramento: Support LCC: Support
AB 680 (Steinberg)	Land Use. This bill would declare the Legislature's intent to enact legislation to promote a regional approach to land use planning in the Sacramento region and to decrease local government's need to constantly generate more sales tax revenue.	Two-year bill	Sacramento: Support/Amend LCC: Oppose
