1-Description/Analysis

## Description/Analysis

**Issue Detail:** On March 22, 2021 the Sacramento Ethics Commission established the External Outreach Ad Hoc Committee and appointed Commissioners Ng and Underwood.

The purpose of this committee is to create and implement a strategy for getting the word out to the greater Sacramento community about the Ethics Commission and what it does. The Ad Hoc wants to let people know the commission is here and how they can help them.

This agenda item is an oral report of the ad hoc committee to the commission for receipt and filing.

**Policy Considerations:** The purpose of the Sacramento Ethics Commission is to review and consider complaints against elected and appointed city officials, as further described in Sacramento City Code § 2.112.030, to ensure those city officials are conforming their conduct to the city's laws and policies. The commission may make recommendations to the City Council regarding the subjects of its purview as described in Sacramento City Code § 2.112.030 (A)(1).
