

**RESOLUTION NO. 2019-0113**

Adopted by the Sacramento City Council

April 16, 2019

**Appropriation to Fund Sign Projects for Council District 4 Parks**

**BACKGROUND**

- A. City Council approval is required to make appropriations from the Park Impact Fee (PIF) fund balance once they cumulatively exceed \$100,000 per fiscal year, based on section 6.3 of the Budget Resolution (2018-0235). In order to have flexibility to move funds from the PIF fund balance to cover park project costs for the remaining portion of fiscal year 2018-19, City Council approval is requested to make an appropriation of \$40,000 from the PIF fund balance for District 4 Park Projects. This appropriation would be used to install new park signs within District 4 parks and it could avoid the need for subsequent City Council approval to make fund transfers from the PIF available balance for other park projects during the remainder of this fiscal year.
- B. Sufficient Park Development Impact Fees (Fund 3204) are available in the fund balance to support the budget transfer.

**BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:**

Section 1. The City Manager or the City Manager's designee is authorized to increase the budget in Council District 4 Park Projects (L19000300) project by appropriating \$40,000 from the Park Development Impact Fees (Fund 3204) available fund balance.
