RESOLUTION NO. 2020-0345

Adopted by the Sacramento City Council

October 27, 2020

Resolution of the City of Sacramento to Approve the Amendment to the 2016 Bicycle Master Plan

BACKGROUND

A. On August 16, 2016, City Council approved the 2016 Bicycle Master Plan, the City’s policy document that provides guidance on the development of bikeways and bike related programs.

B. On March 10, 2020, City Council accepted the Envision Broadway Complete Streets Plan. The proposed bikeway network in the accepted Envision Broadway Plan includes a buffered bikeway on Broadway from Franklin Avenue to Martin Luther King Jr. Avenue. Council directed staff to develop a bicycle master plan implementation plan to identify implementation priorities.

C. The proposed bikeway in the Envision Broadway Complete Streets Plan was based on existing conditions analysis, best practices, and significant community outreach. The plan was endorsed by the Oak Park Neighborhood Association, Oak Park Business District, WALKSacramento, and Sacramento Area Bicycle Advocates.

D. The current Bicycle Master Plan, last amended in 2018, does not include the proposed buffered bikeway on Broadway from Alhambra Boulevard to Martin Luther King Jr. Boulevard.

E. The amended Plan will incorporate the buffered bike lane on Broadway consistent with the Envision Broadway Complete Streets Plan.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

Section 1. The amended 2016 Bicycle Master Plan is approved as the City’s guide for development of the bikeway network, support facilities and programs.

Section 2. The City Manager or City Manager’s designee is directed to amend the appropriate local and regional plans to reflect amendments to the Bicycle Master Plan.
