Parks and  
Community  
Enrichment  
Commission  
2025 Annual  
Report

# Powers and Duties of the Parks & Community Enrichment Commission

To review and provide recommendations on the development and implementation of the Parks Plan as an element of the City's General Plan.

To review complaints & other matters pertaining to parks and community enrichment issues as requested by the Director or the City Council.

To conduct an annual workshop to review Department's annual operating budget & capitol improvement plan.

To meet with neighborhood associations and park user groups to discuss parks and community enrichment needs.

To encourage individuals, businesses, & community groups to contribute funds, property & volunteer services for the development & operations of parks & community enrichment facilities and programs.
