Recent State Law Update

- **SB 1230 and AB 3218** – Effective 1/1/25
- Creates an “Unflavored Tobacco List” – Will create a state list of unflavored tobacco. If product is not on the list, it will be deemed a prohibited flavored tobacco. The new law requires the AG to have the list compiled by Dec. 2025.
- Stop non-FDA approved e-cigarettes from being added to the “Unflavored List” even if unflavored
- Allows for confiscation of flavored tobacco products by law enforcement agency.
