Award Terms and Conditions

1. Standard Term - Acceptance of the Terms of an Award

By drawing or otherwise obtaining funds from the Small Business Administration (SBA), the non-federal entity acknowledges acceptance of the terms and conditions of the award and is obligated to perform in accordance with the requirements of the award.

Certification Statement: By drawing down funds, the non-federal entity certifies that proper financial management controls and accounting systems, to include personnel policies and procedures, have been established to adequately administer federal awards and funds drawdown. Non-federal entities of Small Business Administration (SBA) earmark agreement must comply with all terms and conditions of their award, including: (a) terms and conditions included in the SBA Grants Policy effective at the time of award including the requirements of OMB grants
administration regulations; (b) requirements of the authorizing statutes and implementing regulations for the program under which the award is funded; (c) applicable requirements or limitations in appropriations acts; and (d) any requirements specific to the particular award specified in program policy and guidance.

2. **Standard Term - Award Expectations**

The stipulated reporting requirements as part of this award must be addressed by the project end date. Additional terms and/or conditions may be applied to this award if outstanding financial or programmatic compliance issues are identified by SBA.

3. **Standard Term - Administrative and National Policy Requirements**

Public policy requirements are requirements with a broader national purpose than that of the Federal sponsoring program or award that an applicant/non-federal entity must adhere to as a prerequisite to and/or condition of an award. Public policy requirements are established by statute, regulation, DOJ, and OMB memorandums, or Executive order. In some cases, they relate to general activities, such as preservation of the environment, while, in other cases they are integral to the purposes of the award-supported activities. An application funded with the release of federal funds through a grant award does not constitute or imply compliance with federal statute and regulations. Funded organizations are responsible for ensuring that their activities comply with all applicable federal regulation requirements.

4. **Standard Term - Executive Pay**

The Consolidated Appropriations Act, 2020 (Pub. L. 116-94) signed into law on December 20, 2019, restricts the amount of direct salary to Executive Level II of the Federal Executive Pay scale. The Executive Level II salary per E.O. 13756, was increased to $199,300 effective January 2021.

The law limits the salary amount that may be awarded and charged to SBA assistance agreements and cooperative agreements. Award funds may not be used to pay the salary of any individual at a rate in excess of Executive Level II. This amount reflects an individual’s base salary plus fringe and any income that an individual may be permitted to earn outside of the duties to the applicant organization. This salary limitation also applies to subawards/subcontracts under an SBA grant or cooperative agreement.

5. **Standard Term - Non-federal Entity Responsibilities**

a. Be responsive to SBA requests for information and communication. Changes to Your organization’s contact information, including Your Agreement Officer Representative (AOR) or other key personnel designated representatives, must be reported promptly to SBA.

b. Cooperate with all programmatic and financial examinations and any accreditation or certification reviews conducted by SBA, its agents, or contractors. You will promptly address and act upon all findings regarding Your project made as part of any such process.

• Maintain adequate staffing levels for the delivery of client services, including replacing Key Personnel no more than 60 days after they cease their involvement with the project.

• Participate in SBA surveys and studies regarding the effectiveness and outcomes of the program/project, curriculum, types of assistance, service delivery methods, etc."

e. Maintain adequate, readily accessible facilities for assisting clients.

f. Provide meaningful access to project services for clients with limited English language proficiency and/or disabilities.

• Any other criminal, civil, or administrative proceeding if:
  • It could have led to an outcome described in paragraph 2.c.(1), (2), or (3) of this award term and condition;
  • It had a different disposition arrived at by consent or compromise with an acknowledgement of fault on your part; and
  • The requirement in this award term and condition to disclose information about the proceeding does not conflict with applicable laws and regulations.

Final Financial Reporting – Non-Federal Entities are required to submit at the end of the performance period (form SF-425).

Grants Management Officer: Phuc Nguyen

Email: OGMEmark@sba.gov

It is important that Your clients and the general public are aware of the Congressional Community Program and SBA’s role in this project, as well as the taxpayer funded support the Agency is providing under this Award. Therefore, You must include the following acknowledgment of support statement on all materials produced in whole or in part with Project Funds:

“Funded [in part] through a Grant with the U.S. Small Business Administration.” For purposes of this requirement, the term “materials” includes, but is not limited to, press releases, brochures, pamphlets, handouts, reports, advertisements, books, curricula, websites, video or audio productions, and similar items regardless of the medium employed. The term “materials” does not include stationery or business cards and SBA’s logo may not be used on such items.

Where the non-federal entity (You) use Project Funds to produce materials featuring editorial content, You must use the following alternate acknowledgment of support statement (either independently or in conjunction with the SBA logo):

“Funded in part through a Grant with the U.S. Small Business Administration. All opinions, conclusions, and/or recommendations expressed herein are those of the author(s) and do not necessarily reflect the views of the SBA.”
In addition, You must display signage featuring the SBA logo at all facilities that are open to the public and which are being used for project activities. Such signage must prominently feature the acknowledgment of support statement identified above.

Where used, the acknowledgment of support statement must be presented in a legible typeface, font size, and (where applicable) color contrast and must appear verbatim and may not be altered or replaced with substitute language. However, on materials with severe space constraints such as signs and banners, You may use “SBA” in the acknowledgment of support statement instead of “U.S. Small Business Administration.”

You may elect to use SBA’s logo on materials produced with Project Funds. You may contact the GMO in order to obtain a high-resolution copy of SBA’s logo and a copy of SBA’s Graphic and Use Guide. Where used, the SBA logo may be positioned in close proximity to Your organization’s logo or may be placed in a prominent location elsewhere in the material. However, SBA’s logo may not be placed in close proximity to any third party’s logo, or used in such a way as may imply that a relationship exists between SBA and any third party (Note: Your organization’s parent entity is not considered a third party). Additionally, in each instance where You use the SBA logo, You must also include the acknowledgement of support statement in reasonably close proximity to the logo.

Neither the SBA logo nor the acknowledgment of support statement may be used in connection with activities outside the scope of this Award. In particular, UNDER NO CIRCUMSTANCES may the SBA logo or acknowledgment of support statement appear on items used in conjunction with fundraising, lobbying, or the express or implied endorsement of any goods, service, entity, or individual. Additionally, You may not use the SBA logo on any social media sites or services without obtaining prior approval from SBA. For further guidance regarding the prior approval process, see Part III(A)(13) above.
