Description/Analysis

Issue Detail: The Sacramento Youth Commission (SYC) determined within the 2024 annual plan that one of their focus areas for 2024 would be “Sac. Youth Voice”. This focuses on a citywide outreach effort to promote Sacramento Youth Commission as the official youth voice in the City of Sacramento. These efforts will allow commissioners to be better attuned to the needs of youth in their respective districts. In turn, providing citywide youth with an outlet to raise their voice.

A short survey has been created to post to gain direct feedback from young people citywide regarding youth issues and what is working well in their communities and neighborhood. This direct feedback will better inform commissioners on what youth in their respective desire when giving feedback, recommendations, and advice at monthly Business Meetings.
