Re: Commission Voting Formula

For several months the Commission has been considering a change in its voting formula. The matter is scheduled for further discussions at the Commission meeting on January 17.

The Commission's Committee on Organization has recommended that a specific proposal be sent out so that a legal vote may be taken. A memorandum to the Commission that describes this specific proposal is attached for your information.

I would be pleased to try to answer any questions you have about the proposal and the Commission would be pleased to consider any comments you may care to make.

Sincerely,

JAMES A. BARNES
Executive Director
