The Honorable Anne Rudin
Mayor, City of Sacramento
City Hall
915 I Street, Room 205
Sacramento, CA 95814

Dear Mayor Rudin:

Please accept my resignation from the Administration, Investment and Fiscal Management Board effective at the earliest possible date. If necessary, for quorum purposes, I would continue to serve until the Council has replaced me.

The members and their designees serving on this Board are outstanding public service professionals. The dedicated staff administering the retirement programs very ably serve the Board and the system's membership. This staff was most considerate and helpful to me during my tenure.

My thanks to you and the Council for granting me the opportunity to serve as a public member on this Board.

Sincerely,

Donald R. Moore
