RE: 1111 G Street
Development Disposition Agreement

Honorable Mayor and Councilpersons:

Before you is Redevelopment Agency item for your approval on a Development Disposition Agreement (DDA) for the subject project which includes as part of the project the proposal for abandonment of the south half of 11th Street between G Street and the alley. This letter is a request for a continuance of that item which is scheduled for the regular meeting of the City Council on August 23, 1988.

This request is based on the following facts:

There has been an appeal of the Planning Commission recommendation,

The Design Review Preservation Board has not taken action on the project, and,

Information requested of several city agencies relevant to this item have yet to be received.

In the interests of fairness to parties who oppose this development, it would seem reasonable that Council consider delaying action on the DDA until after the recommendation of the DRPB, and after or simultaneously with the Planning Commission appeal, *such as September 13, 1988.*

Sincerely,

Dan Hood
