Dear Ms. Magana,

As per our telephone conversation, I am enclosing some data with regard to our donation of the Talking World Book.

This donation represents the individual donations from over 120 World Book Managers and representatives. It is our desire that this product be placed within the Sacramento City-County Library system where the visually-impaired will have ready access!

As per our discussion, I will be at the Council meeting on Tuesday, July 7th, 7:30 pm and present this donation on behalf of those involved.

Councilman Pope attended a recent luncheon of our people and accepted this tool on behalf of the City and we do appreciate his time.

Please don't hesitate calling if you need further information.

Sincerely,

A handwritten signature in cursive script that reads "Roger L. Reser".
