Commending U.S. Bank

WHEREAS, U.S. Bank will reduce peak period traffic and congestion by decreasing the number of single-occupant vehicle trips associated with commuting; and

WHEREAS, this will reduce or delay the need for major transportation facility improvements by making more efficient use of existing facilities; and

WHEREAS, U.S. Bank will reduce present and future motor vehicle emissions as a contribution for complying with federal and state ambient air quality standards; and

WHEREAS, this will establish Transportation Systems Management goals by which 35 percent of the employees are encouraged to arrive at their worksite by means other than single-occupant vehicles.

NOW, THEREFORE, I, Joe Serna Jr., Mayor of the City of Sacramento, do hereby issue certification to U.S. Bank for successful participation in the City of Sacramento's Transportation Systems Management Program.

ISSUED: This 14th Day of June, 1994.
