ADOPTED BY THE REDEVELOPMENT AGENCY OF THE CITY OF SACRAMENTO

ON DATE OF

**DEC - 4 2001**

## BUDGET FOR SACRAMENTO HOUSING AND REDEVELOPMENT AGENCY FOR 2002

BE IT RESOLVED BY THE REDEVELOPMENT AGENCY OF THE CITY OF SACRAMENTO:

Section 1. The 2002 Operating Budget totaling 116,468,133 and the 2002 Project Budget totaling \$43,172,030, all as further described in the "2002 Proposed Budget," a copy of which is on file with the Agency Clerk, are approved as the Budget of the Sacramento Housing and Redevelopment Agency for the 2002 fiscal year, incorporating the budgets of the Redevelopment Agency of the City of Sacramento, the Redevelopment Agency of the County of Sacramento, the Housing Authority of the City of Sacramento and the Housing Authority of the County of Sacramento and contingent upon their respective approvals.

Section 2. A total of 326.32 SHRA positions (reflecting an increase of 2.50 positions from the 2001 Agency Budget), are approved subject to classification review by the Executive Director.

Section 3. The budgeted amount for any item in the SHRA budget may be amended by majority vote of the governing body of the entity actually undertaking and funding the activity. Such an amendment so enacted shall be deemed to have been approved by all of the entities originally establishing the budget without further action of the remaining entities.

Section 4. The Executive Director is authorized to submit the Annual Housing Operating Budgets and all supporting documents for 2002 to the United States Department of Housing and Urban Development (HUD), including all required amendments for utilities and other miscellaneous adjustments. Furthermore, the Executive Director is authorized to amend the 2002 Agency Budget to reflect actual HUD approved expenditures and revenues for HUD funded programs and projects.

Section 5. The proposed expenditures under the 2002 Housing Operating Budgets are necessary in the efficient and economical operation of Agency housing to serve low-income families.

Section 6. The housing financial plan set forth in the 2002 Housing Operating Budgets is reasonable in that:

- a. It indicates a source of funding adequate to cover all proposed expenditures.
- b. It does not provide for use of federal funding in excess of amounts payable under the provisions of the pertinent regulations.

Section 7. All proposed rental charges and expenditures contemplated by the 2002 Housing Operating Budgets shall be consistent with provisions of law and the Annual Contributions Contract.

Section 8. The Executive Director is authorized to submit applications to HUD for Capital Fund Plan funding. If such grants are awarded, the Executive Director is authorized to accept the grant or grants, execute all related documents and amend the budget accordingly. The Executive Director is directed to comply with all policies, procedures, and requirements prescribed by HUD as a condition of such grants. The Executive Director is authorized to submit the Comprehensive Plan or annual statement to HUD, after receiving public comments and resident review.

Section 9. The Executive Director is authorized to obtain flood insurance through the federal flood insurance program as required by HUD for Agency properties and is authorized to purchase insurance for the Agency and enter into agreements with risk retention pools or other similar organizations, provided that insurance requirements, coverage and terms are commercially reasonable and provided that the cost does not exceed the approved budget.

Section 10. Subject to availability under the 2002 Agency Budget of any required Agency funds, the Executive Director is authorized to approve conversion of conventional dwelling units to non-dwelling use as long as the use is approved by HUD and consistent with adopted Agency policy and governing board direction.

Section 11. The \$483,555 funding gap between federal sources and operating costs for low-income rental housing units located within the City shall be funded by tax increment funds from the Merged Downtown Redevelopment Project Area. The expenditure of tax increment funds for such housing, in the manner specified, will improve and increase the stock of affordable housing in the community and will benefit the redevelopment area in that the housing so provided is in or adjacent to the redevelopment project area and provides housing for low-income families working or residing in the project area, which housing is currently inadequate to serve the redevelopment project area.

Section 12. The expenditure of tax increment funds for activities benefiting the homeless will benefit the Merged Downtown Redevelopment Project Area in that it will provide housing for a homeless population which remains in or frequents the Merged Downtown Redevelopment Project Area and is perceived as a blighting influence by business owners, property owners, workers and residents, and, as a result, impedes redevelopment of the Merged Downtown Redevelopment Project Area.

Section 13. The Executive Director is authorized and directed to approve, submit, and implement the Comprehensive Agency Annual Plans, future Comprehensive 5-Year Plans, attachments, and/or amendments to comply with the Quality Housing and Responsibility Act of 1998.

Section 14. The Executive Director is authorized to submit to HUD the one year action plan for Community Development Block Grant (CDBG), Home Investment Partnership (HOME), Emergency Shelter Grant (ESG) and Housing Opportunities for People With AIDS (HOPWA). If such grants are awarded, the Executive Director is authorized to accept the grant or grants, execute all related documents and amend the budget accordingly. The Executive Director is directed to comply with all policies, procedures, and requirements prescribed as a condition of such grants. The Executive Director is authorized to amend the contingency fund in the event that the actual entitlement exceeds, or is less than, that estimated in the budget.

The Executive Director is authorized to accept such grants and to transfer program responsibility to the County pursuant to governing board approvals, subject to County acceptance of such transfer.

**Section 17.** During 2001, tax increment funds from the Merged Downtown Redevelopment Project Area have contributed to programs and activities of other areas and departments which benefit the Downtown Project Area. Subject to the limitations of the funding sources, the Executive Director is authorized to reimburse the Merged Downtown Project Area for funds advanced to other programs as monies become available from the close of the 2001 fiscal year.

**Section 18.** On an annual basis, HUD requires the Agency to conduct a physical inventory, analyze receivables for collectability and accordingly, reconcile and adjust related financial records; the Executive Director is authorized to amend the budget and financial records as needed for such adjustments.

**Section 19.** The Executive Director is authorized to make transfers of fund balances to accommodate reserve requirements. The Executive Director may allocate and transfer any available fund balances to accounts held for future projects or reduce budget shortfalls in any other fund balances, provided monies so used are not otherwise restricted by law or regulations related to the funding source.

**Section 20.** The Agency Budget is controlled at the fund group level. Except as provided in this resolution, no expenditure will exceed the approved budget.

**Section 21.** The Executive Director is authorized to amend the Agency Budget to appropriate for expenditure all revenues received in Agency revolving funds.

**Section 22.** The Executive Director is authorized to increase or decrease operating budget appropriations up to \$100,000 per transaction. Operating budget appropriation increases and decreases in excess of \$100,000 per transaction must be approved by the appropriate governing board.
