Gentlepersons:

On behalf of our client, we are requesting another continuance of our application P-87382, a tentative subdivision map for Beth Estates located at the northwest corner of Beth and 22nd Streets (APN: 052-0085-004, 020, 021, and 022).

This item was continued to the City Council meeting on Tuesday February 23, 1988. We would like to have it continued to the March 15, 1988 meeting.

We have been working with Public Works Department on the drainage issues and the Parks and Recreation Department. We appreciate your patience in this matter.

Sincerely,

ALLIED-LANGDON ENGINEERING
