BACKGROUND

On October 1, 1998, the City Council and the Redevelopment Agency held a joint public hearing on the proposed Fifth Amendment of the Del Paso Heights Redevelopment Plan. At that meeting two written objections were received from affected property owners and entered into the record (ATTACHMENT I). The written objections were received from:

- Robert L. and Martha L. Wright, 3411 Taylor Street, Sacramento, Calif., 95838
- Statement on behalf of Ferne Hurst, 3443 Taylor Street, Sacramento, Calif. 95838

As required by the California Community Redevelopment Law, the joint City Council and Agency meeting was continued to October 20, 1998, for the purpose of responding to written objections received from affected property owners. See Attachment II for specific responses to the materials received.

Also, the following individuals made verbal comments during the hearing, and a brief summary and responses has been provided for their comments:

Mr. Comstock: supports redevelopment, and feels that the changes are for the good of the community.

Mr. Leonard Williams: reserves the right to litigate if eminent domain comes up, but supports the proposed Fifth Amendment.

Mr. Joaquin Perriera: not opposed to financing, but feels redevelopment has not been successful in Del Paso Heights, and expressed concern that when the Redevelopment Agency purchases property it is removed from the tax rolls;

Response: The Redevelopment Agency may from time to time hold property to assemble development sites. The Redevelopment Agency goal is to develop the sites and return them to the tax rolls as rapidly as possible.

City Council

Mr. Breyner: would like to sell his property to the Redevelopment Agency as a component of the Del Paso Nuevo Project.

Response: Mr. Breyner's property lies along Taylor Avenue and at one time had been considered for purchase as part of the Del Paso Nuevo Project. However, the Project has been reconfigured because of comments from property owners along this street, and his property is not now being considered for purchase.

Ms. Dorothy Hill recommended that properties not be purchased for less than fair market value.

Response: The Redevelopment Agency will follow all applicable laws governing fair market value when purchasing real property.

FINANCIAL CONSIDERATIONS

The financial impact of the proposed Fifth Amendment has been set forth in the September 16, 1998, staff report and detailed in the Report to the City Council on the Fifth Amendment for the Del Paso Heights Redevelopment Project which is contained in the binder provided to City Council and Redevelopment Agency.

POLICY CONSIDERATIONS

The recommended action is consistent with the policies of the City Council and Redevelopment Agency of the City to encourage reinvestment in the neighborhoods and conforms to the California Community Redevelopment Law.

ENVIRONMENTAL REVIEW

The proposed Redevelopment Plan Amendment has been analyzed in accordance with the California Environmental Quality Act (CEQA). The Initial Study and Negative Declaration has been prepared, published and circulated for review and comments to all taxing entities and other interested parties from July 2, 1998, to July 22, 1998. No comments were received. The Initial Study determined that the Plan Amendment would not result in any significant adverse impacts to the environment. Staff recommends that the Negative Declaration be adopted for the purpose of approving the proposed Fifth Amendment to the Del Paso Heights Redevelopment Plan.

Received your notice of the proposed
Fifth Amendment joint public hearing
Oct. 1st 1998 at 7:00 p.m. in the City
Council Chambers 915 eye St. Sac. Ca.

As there is no mention of the new
redevelopment area of 154 acres
that will be called Del Paso Nuevo, but
it is within the boundary of Del Paso
Hqts. redevelopment project. It is
my understanding that there is a
Federal Grant for 10 million dollars
for streets, sidewalks, gutters, and storm
drains, as we already have sewer, water,
and street lights, we would think that no
additional taxes or bond debts would
be necessary.

We are opposed to extending the Fifth
Amendment to Del Paso Nuevo developm-
ent plan.

We ^{were} very disappointed when Sacramento
Housing changed their plans, as we
were willing sellers, as we located
a like property and lost it because
the contingency ran out Dec. 31, 1997

The Reason we located a like property and made a down payment was On Sept. 30th 1997 at our first meeting at Robinsons Community Center. we were told by Alberto Esquivel and Lisa Bates that we had to move because we were in the new park site and also we were notified by city housing that they wanted to purchase our property. that's why we are against extending time limits especially 12 years.

Respectfully yours,

To whom it may concern:

This statement is regarding opposition to the proposed Del Paso Heights Redevelopment Project ("Fifth Amendment"). This is addressing specifically the property at 3443 Taylor St., the residence of Ferne Hurst. To start with, I would like to state that she has resided at this address for the past 43 years. She is 70 years old and living on a fixed income of only \$680 a month. This proposition with the burden of the possibility of monthly payments on another home, along with increased taxes and insurance, would be virtually impossible to maintain on this small fixed income.

We would like to know why eminent domain is being forced upon her and her neighbors, when no appraisals have been given to her, and causing her undue mental and even physical duress. This unnecessary hardship may even result in deterioration of her condition, resulting in a future burden on the state.

In the last meeting that we attended, we were told that eminent domain would not be enacted for 4 to 5 years, if at all. Everyone was told they would have their appraisals by February of 1998, before any decision on eminent domain would be made.

Since she had been assured that her property would not be taken for 4 or 5 years, she has done several improvements which probably have increased it's value.

In closing, this community is not a "Blight" to the city. It is an old, well established, peaceful, and rural neighborhood that hasn't changed much over the past decades. It would be a shame to destroy these close-knit communities.

WRITTEN FINDINGS IN RESPONSE TO WRITTEN OBJECTIONS
JOINT PUBLIC HEARING
OCTOBER 1, 1998

Prior to and during the October 1, 1998, Joint Public Hearing held on the proposed Fifth Amendment of the Del Paso Heights Redevelopment plan a total of two written objections were received from affected property owners on the proposed adoption of the Fifth Amendment and restated Plan. The written objections were received from the following:

- I. Richard and Martha Wright, 3411 Taylor Street, Sacramento, CA.
- II. Statement on behalf of Ferne Hurst, 3443 Taylor Street, Sacramento, CA.

WRITTEN RESPONSES

- I. Response to letter received from Richard L. and Martha L. Wright

The letter received from Mr. and Mrs. Wright contains two major points that pertain to the proposed Fifth Amendment of the Del Paso Heights Redevelopment Plan.

- A) There is no need for additional taxes or bond debts to support the Del Paso Nuevo Project.
- B) They are opposed to extending the Fifth Amendment to Del Paso Nuevo Redevelopment Plan.

Response:

The Del Paso Nuevo Project is a master plan development consisting of housing, infrastructure and neighborhood services located in the southwestern portion of the Del Paso Heights Redevelopment Area. Funding for this project consists of a \$5.0M grant from the Department of Housing and Urban Development (HUD) and \$5.5 M Community Development Block Grant Section 108 Loan. Tax allocation bond proceeds and tax increment revenues derived from the Del Paso Heights Redevelopment Project Area could be to fund or expand this project. Any future use of bond proceeds or tax increment for Del Paso Nuevo would require approval from the governing boards at that time.

The purpose for amending the Del Paso Heights Redevelopment Plan is to allow for the continuation of existing revitalization projects and programs as economic development, job creation, non-ownership, rehabilitation of existing housing stock, construction of new affordable

housing units, elimination of litter and graffiti, reduction of crime, and a host of other activities that, cumulatively, are designed to improve the quality of life within the Del Paso Heights Redevelopment Area. Without amendment of the Plan redevelopment activities within the area will cease in the year 2000 when the Plan will terminate.

The remaining issues raised within this letter pertain to matters directly related to the Del Paso Nuevo Project. Mr. and Mrs. Wright will be contacted by Del Paso Nuevo Project staff to review the issues raised in their letter.

II. Statement on behalf of Ferne Hurst.

Major issues raised in this letter include the following:

- A. Why eminent domain is being forced upon her (Ms. Hurst) and her neighbors when no appraisals have been given her...

Response:

A notice, dated September 1, 1998, from the Sacramento Housing and Redevelopment Agency, was sent to Ms. Hurst inviting her to the Joint Public Hearing that was to be held on October 1, 1998. The notice contained no statement that the property owned by Ms. Hurst was to be acquired by eminent domain action which would have required the referenced "appraisal". Also, there are no plans contained within the Proposed Fifth Amendment to the Del Paso Heights Redevelopment Plan to acquire any specific property by eminent domain action.

The property owned by Ms. Hurst lies on Taylor Street within the Del Paso Nuevo Project boundary, but it is not being considered for purchase. The property had been considered for purchase at one time, but based on concerns expressed by residents along Taylor Street, the project design was reconfigured to exclude this property and others from purchase. Agency staff has provided written notification to all affected property owners.

Del Paso Nuevo Project staff have been asked to contact Ms. Hurst again and review the issues raised in the statement that was filed on her behalf.

ON DATE OF _____

**APPROVING AND ADOPTING A NEGATIVE
DECLARATION FOR THE FIFTH AMENDMENT TO
THE REDEVELOPMENT PLAN FOR THE DEL PASO HEIGHTS
REDEVELOPMENT PROJECT**

WHEREAS, the Redevelopment Agency of the City of Sacramento (the "Agency") has proposed a fifth amendment (the "Fifth Amendment") to the Redevelopment Plan (the "Redevelopment Plan") for the Del Paso Heights Redevelopment Project (the "Project") which would (1) extend the time limits for debt establishment, debt repayment, Redevelopment Plan duration, and the exercise of eminent domain authority, (2) increase the tax increment and bonded debt limits, (3) provide that the land uses permitted in the Project Area shall be the same as permitted under the City of Sacramento General Plan, and (4) replace the existing Redevelopment Plan with an "Amended and Restated Redevelopment Plan" in order to update the Redevelopment Plan's provisions to current legal requirements and terminology; and

WHEREAS, in accordance with the requirements of the California Environmental Quality Act (Public Resources Code Section 21000 et seq., "CEQA") and the Guidelines for Implementation of the California Environmental Quality Act (14 Cal. Code Regs. Section 15000 et seq., the "State CEQA Guidelines"), an initial study was made to determine whether the proposed Fifth Amendment will have a significant effect on the environment; and

WHEREAS, based on the results of the initial study, the Agency, as the lead agency, prepared a Negative Declaration for consideration by the Agency and the City Council in connection with their consideration of the proposed Fifth Amendment; and

FOR CITY CLERK USE ONLY

RESOLUTION NO.: _____

WHEREAS, notice of the intent to adopt the Negative Declaration was published in the *Sacramento Bee* on July 2, 1998, and the Negative Declaration was made available for public review and comment during the period of July 2, 1998, through July 22, 1998; and

WHEREAS, on October 1, 1998, the Agency and the City Council held a joint public hearing on the proposed Fifth Amendment, and the Agency has considered all comments and testimony received pertaining thereto;

NOW, THEREFORE, BE IT RESOLVED BY THE REDEVELOPMENT AGENCY OF THE CITY OF SACRAMENTO:

Section 1. The Agency has considered the Negative Declaration together with any public comments received during the public review process. The Agency hereby finds, on the basis of the whole record before it, that the Negative Declaration is adequate and complete and reflects the independent judgment and analysis of the Agency, and that there is no substantial evidence that the proposed Fifth Amendment will have a significant effect on the environment.

Section 2. The Negative Declaration, in the form attached to this resolution, is hereby approved and adopted by the Agency. The Agency Clerk of the Sacramento Housing and Redevelopment Agency, 630 I Street, Sacramento, California, is the custodian of the documents or other materials that constitute the record of proceedings upon which this decision is based.

Section 3. The Executive Director of the Agency is authorized to file a Notice of Determination with the County Clerk of the County of Sacramento following the adoption by the City Council of an ordinance adopting the Fifth Amendment.

WHEREAS, the Agency's Report to the City Council, in particular, Parts II, III, and IV thereof, describes the blight remaining in the Project Area and the reasons that such blight cannot be eliminated without the establishment of additional debt;

NOW, THEREFORE, BE IT RESOLVED BY THE REDEVELOPMENT AGENCY OF THE CITY OF SACRAMENTO:

Section 1. The Agency hereby finds that significant blight remains in the Del Paso Heights Redevelopment Project Area and that such blight cannot be eliminated without the establishment of additional debt. These findings are based upon the information contained in the Agency's Report to the City Council, in particular, Parts II, III and IV thereof.

Section 2. The Agency hereby finds and determines that the Fifth Amendment shall be modified as recommended by the Redevelopment Advisory Committee so that the Social Goals set forth in the Amended and Restated Redevelopment Plan provided therein include the following additional language:

“To recognize and build upon the strengths and assets within the community by: (1) creating economic activity that supports both neighborhood-based employment opportunities and spending opportunities; (2) developing quality housing that encourages young, move-up families to stay in the neighborhood, provides affordable home ownership opportunities to residents vested in neighborhood revitalization, and provides a safe and healthy living environment for senior and disabled residents; (3) constructing, restoring and/or improving public facilities serving youth, families, neighborhood leadership groups, and seniors, thereby ensuring the growth and continuation of valuable community cultural, health and social activities; (4) continuing to value and support neighborhood leadership through on-going citizen participation in redevelopment initiatives aimed at

persons to be heard, and has received and considered all evidence and testimony presented for or against any and all aspects of the Fifth Amendment;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SACRAMENTO:

Section 1. In accordance with the recommendation of the Agency, the City Council hereby finds and determines that the Fifth Amendment shall be modified as recommended by the Redevelopment Advisory Committee as that the Social Goals set forth in the Amended and restated Redevelopment Plan include the following additional language:

“To recognize and build upon the strengths and assets within the community by: (1) creating economic activity that supports both neighborhood-based employment opportunities and spending opportunities; (2) developing quality housing that encourages young, move-up families to stay in the neighborhood, provides affordable home ownership opportunities to residents vested in neighborhood revitalization, and provides a safe and healthy living environment for senior and disabled residents; (3) constructing, restoring and/or improving public facilities serving youth, families, neighborhood leadership groups, and seniors, thereby ensuring the growth and continuation of valuable community cultural, health and social activities; (4) continuing to value and support neighborhood leadership through on-going citizen participation in redevelopment initiatives aimed at neighborhood revitalization; and (5) engaging in partnerships and collaboratives that strengthen and uplift the human infrastructure that supports a safe and healthy living environment.”

As hereinafter used the term “Fifth Amendment” shall mean the Fifth Amendment as modified in accordance with this Section 1.

Section 2. The purposes and intent of the City Council with respect to the Fifth Amendment are to enable the continued elimination of blighting influences and environmental deficiencies within the Project Area and allow the full achievement of the goals and objectives of the Redevelopment Plan for the Project which are as follows;

Housing Goals: To provide standard housing for all families presently residing in the Del Paso Heights Area and, at the same time to increase housing supply. Rehabilitation will be fostered and encouraged where feasible and compatible with Plan objectives. Should clearance of existing structures be necessary to provide for new housing construction, it will be coordinated with the availability of relocation housing.

Social Goals: To develop a superior level of community facilities providing for the cultural, health and social needs of the residents. Also, to develop a program maximizing citizen participation in the redevelopment process. To recognize and build upon the strengths and assets within the community by: (1) creating economic activity that supports both neighborhood-based employment opportunities and spending opportunities; (2) developing quality housing that encourages young, move-up families to stay in the neighborhood, provides affordable home ownership opportunities to residents vested in neighborhood revitalization, and provides a safe and healthy living environment for senior and disabled residents; (3) constructing, restoring and/or improving public facilities serving youth, families, neighborhood leadership groups, and seniors, thereby ensuring the growth and continuation of valuable community cultural, health and social activities; (4) continuing to value and support neighborhood leadership through on-going citizen participation in redevelopment initiatives aimed at neighborhood revitalization; and (5) engaging in partnerships and collaboratives that strengthen and uplift the human infrastructure that supports a safe and healthy living environment.

Environmental Goals: To improve the neighborhood environment and image. To eliminate blighted and blighting conditions. To provide all appropriate amenities to support the basic residential character of the area.

Economic Goals: To increase and develop economic activity in the area by attracting new business, assist existing business and enhancing property values. To provide for new housing within the means of the majority of area residents. To the maximum extent allowable by applicable law, to enforce a strong affirmative action program with all contractors working in the area. To effect a workable residential rehabilitation program maximizing the improvement of economically feasible properties.

Section 3. The City Council hereby finds and determines, based on the evidence in the record, including, but not limited to, the Agency's Report to the City Council and all documents referenced therein, and evidence and testimony received at the joint public hearing on adoption of the Fifth Amendment held on October 1, 1998, that:

(a) Significant blight remains in the Project Area, and such blight cannot be eliminated without (i) the establishment of additional debt, and (ii) an increase in the limitation on the number of dollars to be allocated to the Agency from the Project Area (herein "tax increment limit"), and the continued redevelopment of the Project Area is necessary to effectuate the public purposes declared in the Community Redevelopment Law (Health and Safety Code Section 33000 *et seq.*). These findings are based upon the following facts, as more particularly set forth in the Agency's Report to the City Council:

(1) The Project Area continues to suffer from a combination of blighting physical and economic conditions, including: deterioration and dilapidation; faulty and inadequate utilities; defective design and physical construction; serious building code violations; substandard design; inadequate parking facilities; parcels of irregular shape and inadequate size under multiple ownership; impaired investments; depreciated or stagnant property values; vacant lots, buildings and tenant spaces; a lack of necessary commercial facilities, including grocery stores, drug stores, banks and other lending institutions; residential overcrowding; a high crime rate; and public improvements deficiencies.

(2) The Agency's authority to establish debt under the Redevelopment Plan will expire on May 11, 2000, and the redevelopment actions needed to aid in the elimination and correction of the remaining blighting conditions in the Project Area cannot be fully planned and funded within that time limit.

(3) The estimated costs of the redevelopment actions needed to aid in the elimination and correction of the remaining blighting conditions in the Project Area far exceed the amount of tax increment revenue available for allocation to the Agency under the Redevelopment Plan's current tax increment limit.

(4) The redevelopment actions needed to aid in the elimination and correction of the remaining blighting conditions in the Project Area are extensive and cannot be accomplished without redevelopment because other available governmental actions and resources are insufficient to address all of the remaining blighting conditions and the costs and risks to individual owners and developers are too great.

(5) The remaining blighting conditions in the Project Area are so prevalent and so substantial that they continue to cause a reduction, or lack, of proper utilization of the Project Area to such an extent that it constitutes a serious physical and economic burden on the community which cannot reasonably be expected to be reversed or alleviated by private enterprise or governmental action, or both, without redevelopment because

governmental action available to the City without redevelopment would be insufficient to cause any significant correction of the remaining blighting conditions, and because the nature and costs of the redevelopment actions required to correct the remaining blighting conditions are beyond the capacity of the City and either cannot or will not be undertaken or borne by private enterprise acting alone or in concert with available governmental action.

(b) Adoption of the Fifth Amendment will permit the continued redevelopment of the Project Area in conformity with the Community Redevelopment Law and in the interests of the public peace, health, safety and welfare. This finding is based upon the fact that, under the Amended and Restated Redevelopment Plan, the purposes of the Community Redevelopment Law would be attained by aiding in the elimination and correction of the remaining conditions of blight in the Project Area; by replanning, redesigning and/or revitalizing areas which are stagnant or improperly utilized; by protecting and promoting sound development and redevelopment of property; and by providing additional employment and affordable housing opportunities.

(c) The adoption and carrying out of the Fifth Amendment is economically sound and feasible. This finding is based on the facts that, under the Amended and Restated Redevelopment Plan, the Agency will be authorized to seek and utilize a variety of potential financing resources, including property tax increment from the Project Area; that the nature and timing of public redevelopment assistance will depend on the amount and availability of such financing resources, including tax increment generated by new investment in the Project Area; that, under the Amended and Restated Redevelopment Plan, no public redevelopment activity can be undertaken unless the Agency can demonstrate that it has adequate revenue to finance the activity; and that the financing plan included within the Agency's Report to the City Council demonstrates that sufficient public and private financial resources will be available to carry out the Amended and Restated Redevelopment Plan.

(d) The Fifth Amendment conforms to the General Plan of the City of Sacramento, including, but not limited to, the housing element, which substantially complies with the requirements of Article 10.6 (commencing with Section 65580) of Chapter 3 of Division I of Title 7 of the Government Code. This finding is based on the finding of the Planning Commission of the City of Sacramento that the Fifth Amendment conforms to the General Plan of the City of Sacramento.

(e) The adoption and carrying out of the Fifth Amendment will promote the public peace, health, safety, and welfare of the City of Sacramento and will effectuate the purposes and policies of the Community Redevelopment Law. This finding is based on the fact that redevelopment actions under the Amended and Restated Redevelopment

Plan will benefit the Project Area by correcting conditions of blight, by coordinating public and private actions to stimulate development and improve the economic and physical conditions of the Project Area, and by increasing employment and affordable housing opportunities within the City.

(f) The extension of the time period during which condemnation of properties may be undertaken is necessary to the execution of the Fifth Amendment and adequate provisions have been made for the payment for property to be acquired as provided by law. This finding is based upon the need to ensure that the provisions of the Amended and Restated Redevelopment Plan will be carried out and to prevent the recurrence of blight, and the fact that no property will be acquired until adequate funds are available to pay compensation therefor.

(g) The Agency has a feasible method or plan for the relocation of families and persons who might be displaced temporarily or permanently from housing facilities in the Project Area. This finding is based upon the fact that the Agency's method or plan for relocation, as more particularly described in the Agency's Report to the City Council, provides for relocation assistance and benefits according to law and authorizes the Agency to provide other assistance as determined to be appropriate.

(h) There are, or shall be provided, within the Project Area or within other areas not generally less desirable with regard to public utilities and public and commercial facilities and at rents or prices within the financial means of the families and persons who might be displaced from the Project Area, decent, safe and sanitary dwellings equal in number to the number of and available to such displaced families and persons and reasonably accessible to their places of employment. This finding is based upon the fact that no person or family will be required to move from any dwelling unit until suitable replacement housing is available for occupancy which meets the standards established in State law and regulations.

(i) Families and persons shall not be displaced prior to the adoption of a relocation plan pursuant to Sections 33411 and 33411.1 of the Community Redevelopment Law, and dwelling units housing persons and families of low or moderate income shall not be removed or destroyed prior to the adoption of a replacement housing plan pursuant to Sections 33334.5, 33413, and 33413.5 of the Community Redevelopment Law.

(j) The elimination of remaining blight and the redevelopment of the Project Area could not reasonably be expected to be accomplished by private enterprise acting alone without the aid and assistance of the Agency. This finding is based upon the facts, as

DATE ADOPTED: _____

more particularly set forth in the Agency's Report to the City Council, that higher costs and more significant risks are associated with development in a blighted area, available governmental actions and resources are insufficient to address all of the remaining blighting conditions in the Project Area, and the costs and risks to individual owners and developers are too great.

(k) The extended time limitations and the increase in the tax increment limit contained in the Fifth Amendment are reasonably related to the proposed projects to be implemented in the Project Area and to the ability of the Agency to eliminate blight within the Project Area. This finding is based on the facts, as more particularly set forth in the Agency's Report to the City Council, that: the redevelopment actions needed to aid in the elimination and correction of the remaining blighting conditions in the Project Area are extensive; the extended time limits for the establishment and repayment of debt will enable the Agency to issue bonds and incur other borrowings at times and in amounts sufficient to fund those redevelopment actions; the extended time limit on the effectiveness of the Redevelopment Plan is necessary in order to extend the time limit for the repayment of debt because the time limit for the repayment of debt is based upon the time limit on the effectiveness of the Redevelopment Plan and is necessary to ensure adequate time for the maintenance of controls in the Project Area to prevent the recurrence of blighting conditions; the extended time limit during which property may be acquired by condemnation is necessary for the reasons set forth in subsection (f) above; and the increase in the tax increment limit was based on the estimated costs, including financing and related cost, of the proposed redevelopment actions needed to aid in the elimination and correction of the remaining blighting conditions.

(1) The matters set forth in Section 33367(d)(9), (d)(10), and (d)(12) of the Community Redevelopment Law are not applicable to or affected by the Fifth Amendment and consequently, as provided in Section 33457.1 of the Community Redevelopment Law, no further findings with respect to such matters are warranted or required.

Section 4. The City Council is satisfied that permanent housing facilities will be available within three years from the time residential occupants of the Project Area are displaced, if any, and that pending the development of such facilities, there will be available to any such displaced residential occupants temporary housing facilities at rents comparable to those in the City of Sacramento at the time of their displacement. No persons or families of low or moderate income shall be displaced from residences unless and until there is a suitable housing unit available and ready for occupancy by such displaced persons or families at rents comparable to those at the time of their displacement. Such housing units shall be suitable to the needs of such displaced persons or families and must be decent, safe, sanitary and otherwise standard dwellings.

Section 5. The City Council is satisfied that written findings have been adopted in response to each written objection of an affected property owner or taxing entity received either before or during the noticed joint public hearing on the Fifth Amendment. Having considered all evidence and testimony presented for or against any aspect of the Fifth Amendment, the City Council hereby overrules all written and oral objections to the Fifth Amendment.

Section 6. The Fifth Amendment, including the Amended and Restated Redevelopment Plan, is incorporated herein by this reference and made a part hereof as if fully set forth herein. The Fifth Amendment is hereby approved and adopted. Ordinance Nos. 2884 (Fourth Series), 2913 (Fourth Series), 85-047, 86-108, and 94-046 and the Redevelopment Plan adopted and amended pursuant thereto for the Del Paso Heights Redevelopment Project are hereby amended by the Fifth Amendment so that the Redevelopment Plan as adopted by Ordinance No. 2884 (Fourth Series), and amended by Ordinance Nos. 2913 (Fourth Series), 85-047, 86-108, and 94-046, is replaced by the Amended and Restated Redevelopment Plan. By this action, the Amended and Restated Redevelopment Plan is hereby designated as the official Redevelopment Plan for the Project Area. Ordinance Nos. 2884 (Fourth Series), 2913 (Fourth Series), 85-047, 86-108 and 94-046 are continued in full force and effect, as amended by this ordinance.

Section 7. In order to implement and facilitate the effectuation of the Fifth Amendment hereby approved, this City Council hereby: (a) pledges its cooperation in helping to carry out the Amended and Restated Redevelopment Plan; (b) requests the various officials, departments, boards, and agencies of the City having administrative responsibilities in the Project Area likewise to cooperate to such end and to exercise their respective functions and powers in a manner consistent with the Amended and Restated Redevelopment Plan; (c) stands ready to consider and take appropriate action upon proposals and measures designed to effectuate the Amended and Restated Redevelopment Plan; and (d) declares its intention to undertake and complete any proceeding, including the expenditure of monies, necessary to be carried out by the City under the provisions of the Amended and Restated Redevelopment Plan.

Section 8. The City Clerk is hereby directed to send a certified copy of this Ordinance to the Agency, whereupon the Agency is vested with the responsibility for carrying out the Amended and Restated Redevelopment Plan.

Section 9. The City Clerk is hereby directed to record with the County Recorder of Sacramento County a notice of the approval and adoption of the Fifth Amendment containing a description of the land within the Project Area by reference to the recorded

description and a statement that proceedings for the redevelopment of the Project Area previously instituted under the Community Redevelopment Law are continuing pursuant to the Fifth Amendment.

Section 10. The Building Department of the City of Sacramento is hereby directed for a period of two (2) years after the effective date of this Ordinance to advise all applicants for building permits within the Project Area that the site for which a building permit is sought for the construction of buildings or for other improvements is within a redevelopment project.

Section 11. The City Clerk is hereby directed to transmit a copy of the notice recorded pursuant to Section 9 of this Ordinance, a copy of this Ordinance, and a map or plat indicating the boundaries of the Project Area, to the Auditor-Controller and Assessor of the County of Sacramento, to the governing body of each of the taxing agencies which receives taxes from property in the Project Area, and to the State Board of Equalization, no later than thirty (30) days following the adoption of this Ordinance.

Section 12. The City Clerk is hereby ordered and directed to certify to the passage of this Ordinance and to cause the same to be published in the *Sacramento Bee*, a newspaper of general circulation, published and circulated in the City of Sacramento.

Section 13. If any part of this Ordinance or the Fifth Amendment which it approves is held to be invalid for any reason, such decision shall not affect the validity of the remaining portion of this Ordinance or of the Fifth Amendment, and this City Council hereby declares that it would have passed the remainder of the Ordinance or approved the remainder of the Fifth Amendment if such invalid portion thereof had been deleted.

Section 14. This Ordinance shall be in full force and effect thirty (30) days after passage.
