Honorable Members in Session:

SUBJECT: SCHOOL CONSTRUCTION FEES IMPOSED UNDER AB 2926

SUMMARY

This informational report is provided to notify the City Council that the following school districts have filed documents with the City Clerk's Office pursuant to Assembly Bill 2926:

1. Elk Grove Unified School District
2. Natomas Union School District
3. San Juan Unified School District

BACKGROUND

Assembly Bill 2926 gives a school district the ability to impose a school construction fee on anyone who requests a building permit within their school boundaries. Pursuant to AB 2926, the school district board must approve the need for such a fee and then file notification of said approval with the City Clerk's Office. Once officially notified, the City of Sacramento cannot issue a building permit until payment of said fee has been made to the affected school district, under the guidelines of AB 2926.

RECOMMENDATION

This report is for informational purposes only; no action is required on the part of the City Council.

Respectfully submitted,
