MINUTES

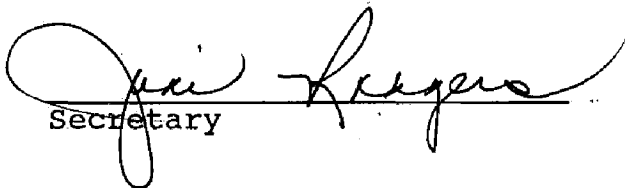

Donna L. Giles, Director of Human Resources, addressed the Committee. Ms. Giles informed the Committee that staff would discuss the Work Plan developed to reduce the costs of the overall Workers' Compensation Program by increasing efficiency and effectiveness.

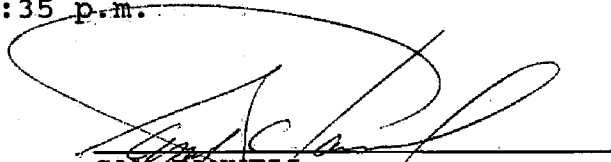

Greg Norton, Internal Auditor Administrator, addressed the Committee. Mr. Norton gave a brief overview of the

audit completed by the Internal Audit staff of the City Manager's Office. This audit included an examination of the unit's process efficiency, performance standards and quality control, effectiveness and utilization of system capabilities, appropriateness of rates and allocation of costs, level of utilization of outside service provides, effectiveness of monitoring mechanisms and communication practices, and the existence and impact of citywide policies and practices affecting the Workers' Compensation program.

Margaret Ann Allen, Risk Manager, discussed the Work Plan developed in conjunction with Internal Audit and Workers' Compensation staff. Ms. Allen explained to the Committee that the work plan is geared toward a City-wide focus on reducing the number of workers' compensation claims thereby reducing the costs.

The meeting was adjourned at 1:35 p.m.
