**Title: Midtown Sacramento Property and Business Improvement District – Annual
Proceedings Fiscal Year 2009/10**

Location/Council District: The Midtown Sacramento Property and Business Improvement District (PBID) is located in the central commercial core of Midtown Sacramento in Council Districts 1, 3, 4 and is comprised of approximately 560 parcels.

Department: Finance Department

Organization No: 06001321

Description/Analysis

Issue: The existing district is required by the PBID Area Law of 1994 to present an annual Management Plan budget for City Council approval. Approval of the District's annual budget will authorize the City to collect assessments in the amount sufficient to provide funding for clean and safe programs, parking services, marketing and advocacy within the Midtown commercial corridor for FY2009/10.

Policy Considerations: The annual proceedings for the District are being processed as set forth in Sections 36600 to 36671 of the California Streets and Highways Code, entitled "Property and Business Improvement District Law of 1994." This process is consistent with the City's Strategic Plan 3 Year Goals to "achieve sustainability and enhance livability" and to "expand economic development throughout the City."

Environmental Considerations: Under the California Environmental Quality Act (CEQA) guidelines, annual proceedings of a Special District do not constitute a project, and are therefore exempt from review.

Sustainability Considerations: There are no sustainability considerations applicable to the formation process or administration of a special district.

Committee/Commission Action: None

Rationale for Recommendation: The actions in the recommended Resolution are required by Part 7 (beginning with Section 36600) of Division 18 in the California Streets and Highways Code.

Financial Considerations: Financing will be provided by levy of assessments upon real property that benefits from improvements and activities. The PBID does not plan to issue bonds. The PBID assessment budget for FY2009/10 is \$610,018 (Exhibit B, page 8). The Midtown Sacramento PBID will receive approximately \$598,650. The remaining \$11,368 will be retained by the City to cover City administrative costs associated with this PBID. City owned properties will have a total annual assessment of approximately \$49,500. Funding to pay City Assessments is included in the annual budget.

Annual assessment rates are based on the special benefit received. These special benefits have been calculated based on an allocation of program costs and a calculation of parcel square foot. Assessment rates vary based on property classification (see Exhibit B page 8). Assessment rates may be subject to an increase by no more than 3% per year, as approved by the PBID Board of Directors and authorized in the Management Plan. The FY2009/10 assessment rate will increase by 3% from the previous year.

Program	Budget	% of Total
Administration (MBA & City costs)	\$79,567	13.0%
Maintenance	\$114,047	18.7%
Marketing/Advocacy	\$114,047	18.7%
Parking Services	\$90,177	14.8%
Security – Daytime/Nighttime	\$212,180	34.8%
Total	\$610,018	100%

Formal amendment to the City's FY2009/10 Approved Budget will be brought under separate action if necessary.

Emerging Small Business Development (ESBD): City Council approval of these proceedings is not affected by City policy related to the ESBD Program.
