RE: TAXICAB ORDINANCE AMENDMENTS (CHAPTER 42)

Honorable Members in Session:

SUMMARY

At the request of the Police Department, certain procedural changes in the Taxicab Ordinance (Chapter 42) have been prepared. These changes consist of substitution of the Director of Finance in place of the Chief of Police in certain sections; changes in the application, renewal, suspension and revocation procedures to conform to certain changes in the law; changes in inspection procedures; and various technical changes to update the ordinance.

The proposed changes have been reviewed and approved by the Law and Legislation Committee subject, however to a request by Councilman Connelly that an alternate to Section 42.62 be provided.

It is recommended that the Council adopt the attached revisions to Chapter 42 and that the alternate Section 42.62 be adopted.

BACKGROUND

The existing ordinance provisions with deletions and additions shown, is attachment "A". Attachment "B" is the alternate inspection provision, §42.62. Attachment "C" is the "clean copy" showing the final revised provisions.

Each proposed amendment is explained below:

SECTION 1. Changes permitted width of vehicles from 100 to 102 inches, in accordance with a Vehicle Code change.

SECTION 2. Adds a plea of "no contest" to the list of those things which fall within the definition of a conviction.

SECTIONS 3, 4, 5, 6 and 8. Substitutes Director of Finance for Chief of Police in order that fiscal functions can be handled at the proper location.

SECTION 7. Adds renewal to the occasions when the Chief of Police can review the qualifications of holders of taxicab permits.

SECTION 9. Makes technical changes to conform to existing practice.

SECTION 10. Provides standards pursuant by which Chief of Police is to be guided in deciding whether to issue, renew or transfer a permit, and establishes a one year validity period for permits.

SECTION 11. Establishes definitive grounds upon which the Chief of Police may revoke, deny or suspend a permit. Previous provisions contained vague standards.

SECTIONS 12, 13 and 14. Add refusal to renew to actions of the Chief of Police which are subject to appeal rights.

SECTION 15. Provides for annual inspection of lamps, brakes and emission control pursuant to requirements of the Vehicle Code, and for annual inspection of the taximeter.

SECTION 16. Eliminates certain unnecessary bookkeeping requirements.

SECTION 17. Makes technical changes with respect to driver's license, and conforms fees to fees for other City permits.

SECTION 18. Makes technical changes with respect to driver's licenses.

SECTION 19. Makes more specific the requirements which must be met for a driver's permit.

SECTION 20. Revises and updates driver's permit application requirements.

SECTION 21. Specifies in detail grounds for revocation, denial or suspension of driver's permits, combining into one section the provisions of various sections and adding new provisions.

SECTION 22. No change except that prior "revocation" standards deleted, having been incorporated into previous sections.

SECTION 23. Redefines consequences of taxicab driver leaving employ of an operator.

SECTION 24. Makes technical changes with respect to taximeters

SECTION 25. Makes changes with respect to inspections other than lamps, brakes and emission control. (Note: See Attachment "B", which is alternate to this provisions).

SECTION 26. Gives driver or operator additional time to report lost property.

FINANCIAL DATA

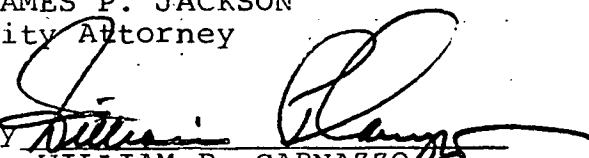

These changes have no financial impact upon the City, except that the driver's permit fee is lowered from \$25.00 to \$23.00; and, for renewals of driver permits, from \$10.00 to \$6.00.

RECOMMENDATION

The Law and Legislation Committee has recommended that the above amendments be adopted, and that the alternate \$42.62 be adopted.

SECTION 3.

Section 42.8 of Chapter 42 of the Sacramento City Code is hereby amended to read as follows:

Sec. 42.8 Limitation on number of taxicabs.

The public convenience and necessity requires that the total number of taxicabs for which permits to operate as public vehicles for hire within the city be limited to one public vehicle permit for each two thousand inhabitants of this city, the number to be determined according to the latest official United States census figures prevailing for the city; provided, however, that this limitation set forth above shall not affect any such vehicle in operation under lawful permit in existence on the effective date of this section, but shall apply to any such vehicle, the operation of which has been abandoned for a period

of six months. The director of finance shall administer the provisions of this section.

The limitation on the number of taxicabs per capita to be operated within the city may be changed by the city council, but only after giving ten days' public notice in advance of the time and place of hearing. The notice of hearing shall be published once in the official newspaper of the city at least ten days prior to the date of hearing. The council may, after the hearing thereon, and a finding that public convenience and necessity requires a change in the limitation of the number of taxicabs per capita which may operate within the city, order such change by ordinance.

The limitation on the number of taxicabs contained within this section shall not apply to taxicabs operated within the City of Sacramento pursuant to city-county taxicab permits, issued in accordance with the procedures established in division two of this chapter.

SECTION 4.

Section 42.9 (c) of Chapter 42 of the Sacramento City Code is hereby amended to read as follows:

Such service must be made by registered mail to the director of finance. In the event of failure of permittees to carry such policy in force or to properly renew such policy, the director of finance shall order the cancellation of the permit in accordance with the provisions of section 42.9-1. Such order may be made in advance of the effective date of the cancellation of public liability insurance but shall not be effective until said date.
