Dear Ms. Magana:

As you suggested in our recent telephone conversation, I am writing to make a formal request that the Community Services Planning Council be placed on the City Council's agenda for Tuesday, April 23, 1985. The Planning Council would like this opportunity to address the Council to inform them of a project we are engaged in to develop a human services data base for Sacramento County.

We understand the Council's heavy agenda and plan to take only a few minutes to outline the project. We will present written summaries of the project workplan to each Council member.

Please confirm the time and date for our presentation. Thank you for your assistance.

Yours truly,

Nancy Findeisen
