Honorable Members In Session:

SUBJECT: Cold Planing City Streets at Various Locations - Contract Award

SUMMARY

This project has been advertised for bids. A single bid has been received and contract award is recommended.

BACKGROUND

On December 17, 1985 the City Council approved the plans and specifications for this project, and a bid was received and opened by the City Clerk in the Council Chambers on January 7, 1986. The bid received is as follows:

Payne-Whitney Company	\$27,840
-----------------------	----------

There are various locations around the City where small areas of pavement require repair, but must be cold planed before City forces can refurbish the asphalt surface. Since cold planing can be performed during inclement weather when other street repair work is not possible, a contractor will be utilized on an on-call basis for a maximum of 160 hours to be accomplished before March 15, 1986.

FINANCIAL

The City Council has approved sufficient funds in the Public Works Street Maintenance Operating Budget to cover the cost of this project.
