RE: Carol Powers

Dear Mr. Smith:

Your claim against the City of Sacramento was received by this office on March 7, 1983. In addition, as you were notified by letter dated March 14, 1983, your claim is deficient in the following regard:

We need to know how we are allegedly responsible--we need facts to investigate.

Because the deficiencies had not been corrected within the required 15 days, on April 12, 1983, the Sacramento City Council rejected your claim for failure to comply substantially with the requirements of Government Code Section 910.

Please note the "Warning" set forth below. This warning is required by State law to be included as part of this notice.

Sincerely,

Lorraine Magana  
City Clerk
