WITHDRAWN
MAY 29 2001
BY THE CITY COUNCIL
OFFICE OF THE CITY CLERK

City Council
Sacramento, California

Honorable Members in Session:

SUBJECT: INITIATING ANNUAL PROCEEDINGS FOR THE LAGUNA CREEK MAINTENANCE DISTRICT

LOCATION AND COUNCIL DISTRICT:

The Laguna Creek Maintenance District is located north of Sheldon Road between Franklin Boulevard and Bruceville Road in Council District No. 8 (see attached Exhibit A).

RECOMMENDATION:

This report recommends that City Council:

- Adopt Resolution Directing Filing of Annual Report for FY 2001/02 for the Laguna Creek Maintenance District.

- Adopt Resolution of Intention to Order Maintenance of Improvements FY 2001/02 for the Laguna Creek Maintenance District.

CONTACT PERSON: Ron Wicky, Special Districts Analyst, 264-5628

FOR COUNCIL MEETING OF: May 29, 2001

SUMMARY:

The Laguna Creek Maintenance District was established to recover the annual costs for the maintenance of this district. The recommended Council action will formally initiate the annual proceedings and set a public hearing date for June 19, 2001 (see attached Exhibit B). There will be no increase in this year's annual assessment.

Department of PUBLIC WORKS CITY OF SACRAMENTO

City Council
Laguna Creek Maintenance District
May 29, 2001

COMMITTEE/COMMISSION ACTION

None.

BACKGROUND INFORMATION:

The Laguna Creek wetlands area was constructed in 1988. On April 16, 1991, the City Council approved formation of the Laguna Creek Maintenance District. The district provides funding for environmental monitoring and maintenance activities associated with the Laguna Creek Wetlands Mitigation program. The monitoring and maintenance work is required to comply with a Section 404 Permit (No. 9570) issued by the U.S. Army Corps of Engineers to the City of Sacramento.

Monitoring and Maintenance Program

The Laguna Creek Wetlands Maintenance Area is located between Sheldon Road, Bruceville Road, and Franklin Boulevard. This area includes the primary creek channel and adjacent wetlands, wetlands preserve to the south of the floodway, and adjacent turf areas. The maintenance area also includes channel improvements and wetlands located west of Franklin Boulevard, which were constructed as part of the Laguna Creek Floodway project (please see attached map). In brief, the work that is funded by the annual maintenance district includes:

- Monitoring, maintenance, repair of vernal pools, and other designated wetland areas, and preparation of annual report to Army Corps of Engineers.
- Maintenance and repair of irrigation systems.
- Maintenance and operation of planting basins, including fertilization, pruning, staking, turf and grassland mowing, disking fire breaks, litter control, and patrolling.
- Maintenance of bikeways and landscaping adjacent to the wetlands area.
- Unscheduled maintenance such as repair of damage due to vandalism, flood or fire, and temporary irrigation of vernal pools not wetted by natural events.
- Public outreach, including design and development of interpretive signage, education workshops, nature walks, information for the kiosk (i.e. community information center), and for wetlands articles in the North Laguna Creek Neighborhood Association newspaper.

City Council
Laguna Creek Maintenance District
May 29, 2001

The recommended Council action is necessary to allow staff to notify the public of the proposed hearing, which has been set for June 19, 2001. The hearing will allow public testimony and for Council to take action on the proposed annual assessment budget.

FINANCIAL CONSIDERATIONS:

The total cost for fiscal year 2001/02 is projected at $89,200. This year's proposed assessment is the same as the previous year. The following is a summary of the costs:

	FY 2000/01	Proposed FY 2001/02
Monitoring Program	$ 0	$ 0
Maintenance Contracts	62,578	61,870
Unscheduled Maintenance	2,000	2,100
Public Outreach	20,000	20,000
Administration	26,600	17,620
Special Districts Annual Reporting	6,400	6,850
Contingency	70,000	130,000
Subtotal	$187,578	$238,440
Billing & Administration	4,020	5,496
Total Budget	$191,598	$243,936
(Surplus)/Deficit	(112,298)	(154,736)
Total Assessed	$ 79,300	$ 89,200

Maintenance costs will be assessed to both developed and undeveloped properties within the district. At present there are 2,402 individual ownership parcels within the district. This figure is expected to grow in the coming years as additional properties are subdivided and developed. The following table summarizes how the maintenance costs are apportioned to the various land use categories.

	Annual Maintenance Assessment		
	Maximum Authorized	FY 2000/01	FY 2001/02
Single-Family Residential (per unit)	$ 81.73	$ 26.08	$ 29.44
Developed Multi-Family and Condos (per unit)	58.78	18.29	20.76
Undeveloped Multi-Family (per acre)	741.72	250.68	279.27
Non-Residential (Land Area)			
0-25,000 Square Feet (per parcel)	$ 113.04	$ 36.73	$ 41.29
25,000-100,000 Square Feet (per parcel)	525.45	177.08	197.40
Over 100,000 Square Feet (per parcel)	1,082.23	366.46	408.16
Churches (per parcel)	39.52	11.73	13.46

City Council
Laguna Creek Maintenance District
May 29, 2001

ENVIRONMENTAL CONSIDERATION:

Under California Environmental Quality Act (CEQA) Guidelines, administration and annual maintenance do not constitute a project and are therefore exempt from review.

POLICY CONSIDERATIONS:

These proceedings for the Annual Report are being held pursuant to Chapter 3.124 of the City Code. This chapter of the Code was specifically developed and adopted as an enabling ordinance for the subject maintenance district. No new policy decisions are required for this item.

ESBD CONSIDERATIONS:

City Council adoption of the attached resolution is not affected by City policy related to ESBD.

Respectfully submitted,

Gary Alm, Manager
Development Services

RESOLUTION OF INTENTION TO ORDER MAINTENANCE OF IMPROVEMENTS FOR FY 2001/02 LAGUNA CREEK MAINTENANCE DISTRICT

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF SACRAMENTO:

1. The City Council intends to levy and collect assessments within the Laguna Creek Maintenance District during fiscal year 2001/02. The area of land to be assessed is located in the City of Sacramento, Sacramento County.

2. The maintenance of improvements to be made in this assessment district are generally described as follows and is on file in the City Clerks Office:

The maintenance activity with respect to the improvements to be maintained includes, but is not limited to: scheduled horticultural maintenance and cleanup of landscape areas; monitoring, maintenance, and repair of vernal pools and other wetland areas; repairs or additions or reconfigurations of irrigation systems; replacement of plants or other materials damaged by the elements, vandalism, or otherwise; maintaining planting basins; operation of any system contained within the improvements; irrigation activity; fertilization; pruning; staking; turf mowing/maintenance; grassland mowing; disking fire breaks and litter control; patrolling; bike trail repairs and maintenance; keeping of records as required or convenient; any and all work or materials required to satisfy conditions of the "Section 404 Permit" covering the improvements; plant replacement; turf and grassland reseeding; insect, weed, and rodent control; erosion control; channel repairs; removal, hauling, and dumping of debris; maintenance and repair of floodway improvements and areas adjacent to the floodway right-of-way; vernal pool renovation; repair to damage of any sort to any of the improvements or collateral facilities; and any other work required to properly operate, maintain, repair, or replace the improvements of the Laguna Creek Floodway.

FOR CITY CLERK USE ONLY

RESOLUTION NO:_____

DATE ADOPTED:_____

3. In accordance with this Council's resolution directing the filing of any Annual Report, the Engineer of Work has filed with the City Clerk the report required by Chapter 3.124, Sacramento City Code. All interested persons are referred to that report for a full and detailed description of the improvements, the boundaries of the assessment district, and the proposed assessments upon assessable lots and parcels of land within the assessment district.

4. On Tuesday, the 19th day of June, 2001, at the hour of 2 p.m., the City Council will conduct a public hearing on the question of the levy of the proposed annual assessment. The hearing will be held at the meeting place of the City Council located in City Hall, 915 I Street, Sacramento, California.

5. The City Clerk is authorized and directed to give the notice of hearing required by Chapter 3.124 of the Sacramento City Code.

The recommended Council action is necessary to allow staff to notify the public of the proposed hearing, which has been set for June 15, 1999. The hearing will allow public testimony and for Council to take action on the proposed annual assessment budget.

FINANCIAL CONSIDERATIONS:

The total cost for fiscal year 1999/00 is projected at $79,300. This year's proposed assessment is a 7% increase from the previous year. The following is a summary of the costs:

	FY 98/99	Proposed FY 99/00
Monitoring Program	$ 0	$ 0
Maintenance Contracts	62,200	62,578
Unscheduled Maintenance	1,500	2,000
Public Outreach	20,000	20,000
Administration	26,600	26,600
Special Districts Annual Reporting	4,392	6,400
Contingency	70,000	70,000
Subtotal	$166,102	$187,678
Billing & Administration	1,368	4,020
Total Budget	$167,470	$191,581
(Surplus)/Deficit	(112,060)	(112,298)
Total Assessed	$ 74,000	$ 79,300

Maintenance costs will be assessed to both developed and undeveloped properties within the district. At present there are 2,281 individual ownership parcels within the district. This figure is expected to grow in the coming years as additional properties are subdivided and developed. The following table summarizes how the maintenance costs are apportioned to the various land use categories.

	Annual Maintenance Assessment		
	Maximum Authorized	FY 1998/99	FY 1999/00
Single-Family Residential (per unit)	$ 81.73	$ 24.44	$ 26.08

ENGINEER'S REPORT
FY 1999/00
LAGUNA CREEK MAINTENANCE DISTRICT

MICHAEL KASHIWAGI, Engineer of Work for Laguna Creek Maintenance District, City of Sacramento, County of Sacramento, State of California makes this report, as directed by the City Council, pursuant to Chapter 81 of the Sacramento City Code.

The improvement maintenance work which is the subject of this report (hereinafter referred to as the "work") is briefly described as follows:

The work described herein is to be carried out in the Laguna Creek Floodway corridor and North Folk Floodway corridor within the City limits between Sheldon Road, Bruceville Road and Franklin Boulevard. This includes the creek channel and adjacent lands, the bike trail, wetland preserves to the south of the floodway within City lands and adjacent turf areas. Also included in this work are the County lands, west of Franklin Boulevard which were constructed as a part of the laguna Creek Floodway.

The work to be performed consists of scheduled general horticultural maintenance and cleanup of landscape areas; repairs to irrigation as directed by the City; and replacement of plant materials damaged by vandalism or other means. The work includes, but is not limited to, the maintenance and operation of planting basins, irrigation systems, fertilization, pruning and staking, turf mowing and maintenance, grassland mowing, disking fire breaks, litter control, patrolling, bike trails and the keeping of Contractor's records. Requirements vary by location depending upon the landscaping present. All work described in the Specifications for Laguna Creek Floodway Maintenance and deemed necessary to satisfy the conditions of the Corps of Engineers 404 Permit, as well as any other work required to properly operate, maintain, repair or replace the Laguna Creek Floodway, is also included.

Certain types of unscheduled maintenance are also to be performed, but only when specifically approved by the City of Sacramento Public Works Department. These tasks include plant replacement, turf and grassland seeding, insect, weed and rodent control, erosion control, channel repairs, hauling and dumping debris, maintaining floodway improvements, maintaining areas adjacent to the floodway right-of-way, vernal pool renovation, and repair of damage due to vandalism, flood, or fire. Occasionally, a temporary ditch pump will be needed to inundate vernal pools, which are not wetted by natural events.

All costs associated with the formation and administration of the District are also included.

ENGINEER'S REPORT
FY 1999/00
LAGUNA CREEK MAINTENANCE DISTRICT

MICHAEL KASHIWAGI, Engineer of Work for Laguna Creek Maintenance District, City of Sacramento, County of Sacramento, State of California makes this report, as directed by the City Council, pursuant to Chapter 81 of the Sacramento City Code.

The improvement maintenance work which is the subject of this report (hereinafter referred to as the "work") is briefly described as follows:

The work described herein is to be carried out in the Laguna Creek Floodway corridor and North Folk Floodway corridor within the City limits between Sheldon Road, Bruceville Road and Franklin Boulevard. This includes the creek channel and adjacent lands, the bike trail, wetland preserves to the south of the floodway within City lands and adjacent turf areas. Also included in this work are the County lands, west of Franklin Boulevard which were constructed as a part of the laguna Creek Floodway.

The work to be performed consists of scheduled general horticultural maintenance and cleanup of landscape areas; repairs to irrigation as directed by the City; and replacement of plant materials damaged by vandalism or other means. The work includes, but is not limited to, the maintenance and operation of planting basins, irrigation systems, fertilization, pruning and staking, turf mowing and maintenance, grassland mowing, disking fire breaks, litter control, patrolling, bike trails and the keeping of Contractor's records. Requirements vary by location depending upon the landscaping present. All work described in the Specifications for Laguna Creek Floodway Maintenance and deemed necessary to satisfy the conditions of the Corps of Engineers 404 Permit, as well as any other work required to properly operate, maintain, repair or replace the Laguna Creek Floodway, is also included.

Certain types of unscheduled maintenance are also to be performed, but only when specifically approved by the City of Sacramento Public Works Department. These tasks include plant replacement, turf and grassland seeding, insect, weed and rodent control, erosion control, channel repairs, hauling and dumping debris, maintaining floodway improvements, maintaining areas adjacent to the floodway right-of-way, vernal pool renovation, and repair of damage due to vandalism, flood, or fire. Occasionally, a temporary ditch pump will be needed to inundate vernal pools, which are not wetted by natural events.

All costs associated with the formation and administration of the District are also included.

Funds raised for maintaining and operating the above described improvements shall be based on annual benefit assessment apportioned to land benefitting from work and within the boundaries of the Maintenance District. The Council sets the assessment each year after receiving and reviewing an Engineer's Report and holding a public hearing.

This report includes the following attached exhibits:

EXHIBIT A- An estimate of the cost of the work.

EXHIBIT B- Laguna Creek Floodway Illustrative Map.

EXHIBIT C- A statement of the method by which the undersigned determined the amount proposed to be assessed against each parcel, based on benefits to be derived by each parcel, respectively, from the work.

EXHIBIT D- An assessment roll showing the amount proposed to be specially assessed against each parcel of real property within this maintenance district. Each parcel is described by County Assessor's parcel number, and each parcel is also assigned a separate "assessment number" for the purposes of this proceeding.

EXHIBIT E- A list of the names and addresses of the owners of real property within this maintenance district, as shown on the last equalized assessment roll for taxes, or as known to the Clerk. The list is keyed to Exhibit D by assessment number.

EXHIBIT F- A diagram showing all of the parcels of real property within this maintenance district. The diagram is keyed to Exhibit D by assessment number.

Respectfully submitted
Michael Kashiwagi, Director of Public Works
City of Sacramento, Sacramento County
State of California

Funds raised for maintaining and operating the above described improvements shall be based on annual benefit assessment apportioned to land benefitting from work and within the boundaries of the Maintenance District. The Council sets the assessment each year after receiving and reviewing an Engineer's Report and holding a public hearing.

This report includes the following attached exhibits:

EXHIBIT A- An estimate of the cost of the work.

EXHIBIT B- Laguna Creek Floodway Illustrative Map.

EXHIBIT C- A statement of the method by which the undersigned determined the amount proposed to be assessed against each parcel, based on benefits to be derived by each parcel, respectively, from the work.

Each parcel is described by County Assessor's parcel number, and each parcel is also assigned a separate "assessment number" for the purposes of this proceeding.

EXHIBIT E- A list of the names and addresses of the owners of real property within this maintenance district, as shown on the last equalized assessment roll for taxes, or as known to the Clerk. The list is keyed to Exhibit D by assessment number.

EXHIBIT F- A diagram showing all of the parcels of real property within this maintenance district. The diagram is keyed to Exhibit D by assessment number.

Respectfully submitted
Michael Kashiwagi, Director of Public Works
City of Sacramento, Sacramento County
State of California

TOTAL -------->	$75,280	$75,279.83	79,300
DEVELOPED RESIDENTIAL Cost / UNIT	$24.40	$24.40	$26.08
DEVELOPED MULTI FAM Cost / UNIT	$16.60	$16.60	$18.28
UNDEVELOPED MULTI FAM Cost / ACRE	$248.94	$248.94	$250.62
Non-Residential cost / Parcel 0 - 25,000	$35.05	$35.06	$36.74
Non-Residential cost / Parcel 25,001 - 100,000	$175.36	$175.36	$177.04
Non-Residential cost / Parcel 100,001 - over	$364.79	$364.79	$366.47
Church* Cost / Parcel	$10.04	$10.04	$11.72
Cost per RESIDENT/EMPLOYEE	$9.13		

Note: The following assessments for billing and administration are added on top of the maintenance assessements shown above and appear on the assessment roll in Exhibit D.

BILLING AND ADMINISTRATION COSTS TO BE ASSESSED

Billing and Administration Cost	4,020.00
Total Number of Assessed Parcels	2402
Cost Per Parcel	$1.68

20-May-99

METHOD OF SPREADING ASSESSMENTS

The following section describes the proposed method of assessing the costs for the Laguna Creek Maintenance District to each parcel in the District in relation to the amount of benefit received. Costs for this District are assessed to each parcel within the District boundary except for those parcels owned by public agencies or dedicated for public use.

All of the land that was determined to benefit from the improvements funded by the Laguna Creek Assessment District (established in 1988) will also benefit from the operation and maintenance work of this Maintenance District.

Cost of maintenance is assessed to each benefitted parcel in proportion to its residents or employees to the total number of residents (for single family and multi-family residences) and employees (for non-residential parcels) which benefit from the Maintenance District. Each employee is determined to have 40 percent of the benefit of a resident. Each single family residential unit was determined to have an average of 2.673 persons per unit and each multi-family residential unit was determined to have an average of 1.818 persons per unit (Reference 1980 census). The number of residential units for each single family residential parcel within the Maintenance District boundary is based on existing final and tentative maps. Developed multi-family parcels are assessed assuming 15 units per acre. The number of employees in each non-residential parcel was calculated by multiplying an average of 33.47 employees per acre by an average parcel size. The average parcel sizes were calculated to be 12,500 sq. ft. for the 0-25,000 sq. ft. size category, 62,500 sq. ft. for the 25,001-100,000 sq. ft. size category, and 130,000 sq. ft. for the greater than 100,000 sq. ft. size category. Based on operation use factors, churches were determined to have two-sevenths of the benefitting employees of a 0-25,000 sq. ft. non-residential parcel.

Costs for billing and administration for the District are assessed to each benefitted parcel equally, as each parcel is considered to receive the same benefit from this work regardless of land use or parcel size. The amount assessed to each parcel was determined by dividing the cost of billing and administration by the total number of parcels within the District boundary, excluding those parcels owned by public agencies or dedicated for public use. The number of parcels in the District was determined from the following table. The subdivisions listed in italicized font on the following table refer to fully recorded subdivisions; therefore, the number of lots shown for those subdivisions equals the number of the recorded parcels in those subdivisions. The remaining lines each correspond to one recorded parcel. The total number of parcels in the District is 1,831.

The following table shows the number of residential units and non-residential acres contained in each subdivision or parcel. As mentioned above, the italicized subdivisions on the table refer to recorded subdivisions. The assessments for these subdivisions are spread equally to each recorded single family lot in the subdivision. The rest of the lines refer to individual parcels which are given by assessment number in the far left column. Some of these parcels have tentative subdivision maps, as shown, from which lot counts were made for assessment purposes. In those cases where several parcels are included under one tentative subdivision map heading and several lot counts are given, each lot count refers to one of the assessed parcels, in respective order.

City Council
Sacramento, California

Honorable Members in Session:

SUBJECT: INITIATING ANNUAL PROCEEDINGS FOR THE LAGUNA CREEK MAINTENANCE DISTRICT

LOCATION AND COUNCIL DISTRICT:

The Laguna Creek Maintenance District is located north of Sheldon Road between Franklin Boulevard and Bruceville Road in Council District No. 8 (see attached Exhibit A).

RECOMMENDATION:

This report recommends that City Council:

- Adopt Resolution Directing Filing of Annual Report for FY 1998/99 for the Laguna Creek Maintenance District.
- Adopt Resolution of Intention to Order Maintenance of Improvements FY 1998/99 for the Laguna Creek Maintenance District.

CONTACT PERSON: Ron Wicky, Special Districts Analyst, 264-5628

FOR COUNCIL MEETING OF: May 19,1998

SUMMARY:

The Laguna Creek Maintenance District was established to recover the annual costs for the maintenance of this district. The recommended Council action will formally initiate the annual proceedings and set a public hearing date for June 4, 1998 (see attached Exhibit B). There will be no increase in this year's annual assessment.

Department of PUBLIC WORKS CITY OF SACRAMENTO

City Council
Laguna Creek Maintenance District
May 4, 1998

COMMITTEE/COMMISSION ACTION

None.

BACKGROUND INFORMATION:

The Laguna Creek wetlands area was constructed in 1988. On April 16, 1991, the City Council approved formation of the Laguna Creek Maintenance District. The district provides funding for environmental monitoring and maintenance activities associated with the Laguna Creek Wetlands Mitigation program. The monitoring and maintenance work is required to comply with a Section 404 Permit (No. 9570) issued by the U.S. Army Corps of Engineers to the City of Sacramento. The adopted monitoring program identifies a five to eight-year monitoring period. The City is currently in its eighth year of monitoring.

Monitoring and Maintenance Program

The Laguna Creek Wetlands Maintenance Area is located between Sheldon Road, Bruceville Road, and Franklin Boulevard. This area includes the primary creek channel and adjacent wetlands, wetlands preserve to the south of the floodway, and adjacent turf areas. The maintenance area also includes channel improvements and wetlands located west of Franklin Boulevard, which were constructed as part of the Laguna Creek Floodway project (please see attached map). In brief, the work that is funded by the annual maintenance district includes:

- Monitoring, maintenance, repair of vernal pools, and other designated wetland areas, and preparation of annual report to Army Corps of Engineers.
- Maintenance and repair of irrigation systems.
- Maintenance and operation of planting basins, including fertilization, pruning, staking, turf and grassland mowing, disking fire breaks, litter control, and patrolling.
- Maintenance of bikeways and landscaping adjacent to the wetlands area.
- Unscheduled maintenance such as repair of damage due to vandalism, flood or fire, and temporary irrigation of vernal pools not wetted by natural events.
- Public outreach, including design and development of interpretive signage, education workshops, nature walks, information for the kiosk (i.e., community information center), and for wetlands articles in the North Laguna Creek Neighborhood Association newspaper.

City Council
Laguna Creek Maintenance District
May 4, 1998

The recommended Council action is necessary to allow staff to notify the public of the proposed hearing, which has been set for June 4, 1998. The hearing will allow public testimony and for Council to take action on the proposed annual assessment budget.

FINANCIAL CONSIDERATIONS:

The total cost for the fiscal year 1998/99 is projected at $74,000. This year's proposed assessment is the same as the previous year. The following is a summary of the costs:

	FY 97/98	Proposed FY 98/99
Monitoring Program	$ 0	$ 0
Maintenance Contracts	63,110	62,200
Unscheduled Maintenance	2,000	1,500
Public Outreach	20,000	20,000
Administration	26,600	26,600
Special Districts Annual Reporting	4,392	4,392
Contingency	50,000	70,000
Subtotal	$166,102	$184,692
Billing & Administration	1,368	1,368
Total Budget	$167,470	$186,060
(Surplus)/Deficit	(93,470)	(112,060)
Total Assessed	$ 74,000	$ 74,000

Maintenance costs will be assessed to both developed and undeveloped properties within the district. At present, there are 2,281 individual ownership parcels within the district. This figure is expected to grow in the coming years as additional properties are subdivided and developed. The following table summarizes how the maintenance costs are apportioned to the various land use categories.

	Annual Maintenance Assessment	
	FY 97/98	FY 98/99
Single-Family Residential (per unit)	$ 24.44	$ 24.44
Developed Multi-Family and Condos (per unit)	16.82	16.82
Undeveloped Multi-Family (per acre)	243.82	243.82
Non-Residential (Land Area)		
0-25,000 Square Feet (per parcel)	$ 34.86	$ 34.86
25,000-100,000 Square Feet (per parcel)	171.94	171.94
Over 100,000 Square Feet (per parcel)	357.02	357.02
Churches (per parcel)	10.42	10.42

ENVIRONMENTAL CONSIDERATION:

Under California Environmental Quality Act (CEQA) Guidelines, administration and annual maintenance do not constitute a project and are therefore exempt from review.

POLICY CONSIDERATIONS:

These proceedings for the Annual Report are being held pursuant to Chapter 81 of the City Code. This chapter of the Code was specifically developed and adopted as an enabling ordinance for the subject maintenance district. No new policy decisions are required for this item.

City Council
Laguna Creek Maintenance District
May 4, 1998

MBE/WBE:

This annual budget and assessment levy process does not involve the contractor selection process.

RESOLUTION NO. 98-176
ADOPTED BY THE SACRAMENTO CITY COUNCIL
ON DATE OF MAY 19, 1998
RESOLUTION OF INTENTION TO ORDER MAINTENANCE OF IMPROVEMENTS FOR FY 1998/99
LAGUNA CREEK MAINTENANCE DISTRICT

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF SACRAMENTO:

1. The City Council intends to levy and collect assessments within the Laguna Creek Maintenance District during fiscal year 1998/99. The area of land to be assessed is located in the City of Sacramento, Sacramento County.

2. The maintenance of improvements to be made in this assessment district are generally described as follows and is on file in the City Clerks Office:

The maintenance activity with respect to the improvements to be maintained includes, but is not limited to: scheduled horticultural maintenance and cleanup of landscape areas; monitoring, maintenance, and repair of vernal pools and other wetland areas; repairs or additions or reconfigurations of irrigation systems; replacement of plants or other materials damaged by the elements, vandalism, or otherwise; maintaining planting basins; operation of any system contained within the improvements; irrigation activity; fertilization; pruning; staking; turf mowing/maintenance; grassland mowing; disking fire breaks and litter control; patrolling; bike trail repairs and maintenance; keeping of records as required or convenient; any and all work or materials required to satisfy conditions of the "Section 404 Permit" covering the improvements; plant replacement; turf and grassland reseeding; insect, weed, and rodent control; erosion control; channel repairs; removal, hauling, and dumping of debris; maintenance and repair of floodway improvements and areas adjacent to the floodway right-of-way; vernal pool renovation; repair to damage of any sort to any of the improvements or collateral facilities; and any other work required to properly operate, maintain, repair, or replace the improvements of the Laguna Creek Floodway.

3. In accordance with this Council's resolution directing the filing of any Annual Report, the Engineer of Work has filed with the City Clerk the report required by Chapter 81, Sacramento City Code. All interested persons are referred to that report for a full and detailed description of the improvements, the boundaries of the assessment district, and the proposed assessments upon assessable lots and parcels of land within the assessment district.

4. On Tuesday, the 4th day of June, 1998, at the hour of 2 p.m., the City Council will conduct a public hearing on the question of the levy of the proposed annual assessment. The hearing will be held at the meeting place of the City Council located in City Hall, 915 I Street, Sacramento, California.

5. The City Clerk is authorized and directed to give the notice of hearing required by Chapter 81 of the Sacramento City Code.

Valerie A. Burrowes, City Clerk
City of Sacramento, Sacramento County, California

By Valerie A. Burrowes

ENGINEER'S REPORT

LAGUNA CREEK MAINTENANCE DISTRICT

MICHAEL KASHIWAGI, Engineer of Work for Laguna Creek Maintenance District, City of Sacramento, County of Sacramento, State of California makes this report, as directed by the City Council, pursuant to Chapter 81 of the Sacramento City Code.

The improvement maintenance work which is the subject of this report (hereinafter referred to as the "work") is briefly described as follows:

The work described herein is to be carried out in the Laguna Creek Floodway corridor and North Folk Floodway corridor within the City limits between Sheldon Road, Bruceville Road and Franklin Boulevard. This includes the creek channel and adjacent lands, the bike trail, wetland preserves to the south of the floodway within City lands and adjacent turf areas. Also included in this work are the County lands, west of Franklin Boulevard which were constructed as a part of the laguna Creek Floodway.

The work to be performed consists of scheduled general horticultural maintenance and cleanup of landscape areas; repairs to irrigation as directed by the City; and replacement of plant materials damaged by vandalism or other means. The work includes, but is not limited to, the maintenance and operation of planting basins, irrigation systems, fertilization, pruning and staking, turf mowing and maintenance, grassland mowing, disking fire breaks, litter control, patrolling, bike trails and the keeping of Contractor's records. Requirements vary by location depending upon the landscaping present. All work described in the Specifications for Laguna Creek Floodway Maintenance and deemed necessary to satisfy the conditions of the Corps of Engineers 404 Permit, as well as any other work required to properly operate, maintain, repair or replace the Laguna Creek Floodway, is also included.

Certain types of unscheduled maintenance are also to be performed, but only when specifically approved by the City of Sacramento Public Works Department. These tasks include plant replacement, turf and grassland seeding, insect, weed and rodent control, erosion control, channel repairs, hauling and dumping debris, maintaining floodway improvements, maintaining areas adjacent to the floodway right-of-way, vernal pool renovation, and repair of damage due to vandalism, flood, or fire. Occasionally, a temporary ditch pump will be needed to inundate vernal pools, which are not wetted by natural events.

All costs associated with the formation and administration of the District are also included.

Funds raised for maintaining and operating the above described improvements shall be based on annual benefit assessment apportioned to land benefitting from work and within the boundaries of the Maintenance District. The Council sets the assessment each year after receiving and reviewing an Engineer's Report and holding a public hearing.

This report includes the following attached exhibits:

EXHIBIT A- An estimate of the cost of the work.

EXHIBIT B- Laguna Creek Floodway Illustrative Map.

EXHIBIT C- A statement of the method by which the undersigned determined the amount proposed to be assessed against each parcel, based on benefits to be derived by each parcel, respectively, from the work.

EXHIBIT D- An assessment roll showing the amount proposed to be specially assessed against each parcel of real property within this maintenance district. Each parcel is described by County Assessor's parcel number, and each parcel is also assigned a separate "assessment number" for the purposes of this proceeding.

EXHIBIT E- A list of the names and addresses of the owners of real property within this maintenance district, as shown on the last equalized assessment roll for taxes, or as known to the Clerk. The list is keyed to Exhibit D by assessment number.

EXHIBIT F- A diagram showing all of the parcels of real property within this maintenance district. The diagram is keyed to Exhibit D by assessment number.

Respectfully submitted
Michael Kashiwagi, Director of Public Works
City of Sacramento, Sacramento County
State of California

LAGUNA CREEK MAINTENANCE DISTRICT

SUMMARY OF COSTS IN THE DISTRICT
Fiscal Year 1998/99

Description		Cost
I. Monitoring Program		$0
II. Maintenance Contracts		
Planning (Environmental)	50,000	
Public Works (includes utilities)	12,200	
Total Maintenance Contracts		$62,200
III. Unscheduled Maintenace		$1,500
IV. Administration		
Project Management (Planning)	25,000	
Project Management (Streets)	1,600	
Community Outreach/Education	20,000	
Specila Districts Administration	4,392	
Total Administration		$50,992
V. Contingencies		$70,000
Total Project Cost		$184,692
VI. Annual Billing & Administration		$1,368
Total Budget		$186,060
Less Surplus/(Deficit)		$112,060
Total Assessed		$74,000

METHOD OF SPREADING ASSESSMENTS

The following section describes the proposed method of assessing the costs for the Laguna Creek Maintenance District to each parcel in the District in relation to the amount of benefit received. Costs for this District are assessed to each parcel within the District boundary except for those parcels owned by public agencies or dedicated for public use.

All of the land that was determined to benefit from the improvements funded by the Laguna Creek Assessment District (established in 1988) will also benefit from the operation and maintenance work of this Maintenance District.

Cost of maintenance is assessed to each benefitted parcel in proportion to its residents or employees to the total number of residents (for single family and multi-family residences) and employees (for non-residential parcels) which benefit from the Maintenance District. Each employee is determined to have 40 percent of the benefit of a resident. Each single family residential unit was determined to have an average of 2.673 persons per unit and each multi-family residential unit was determined to have an average of 1.818 persons per unit (Reference 1980 census). The number of residential units for each single family residential parcel within the Maintenance District boundary is based on existing final and tentative maps. Developed multi-family parcels are assessed assuming 15 units per acre. The number of employees in each non-residential parcel was calculated by multiplying an average of 33.47 employees per acre by an average parcel size. The average parcel sizes were calculated to be 12,500 sq. ft. for the 0-25,000 sq. ft. size category, 62,500 sq. ft. for the 25,001-100,000 sq. ft. size category, and 130,000 sq. ft. for the greater than 100,000 sq. ft. size category. Based on operation use factors, churches were determined to have two-sevenths of the benefiting employees of a 0-25,000 sq. ft. non-residential parcel.

Costs for billing and administration for the District are assessed to each benefitted parcel equally, as each parcel is considered to receive the same benefit from this work regardless of land use or parcel size. The amount assessed to each parcel was determined by dividing the cost of billing and administration by the total number of parcels within the District boundary, excluding those parcels owned by public agencies or dedicated for public use. The number of parcels in the District was determined from the following table. The subdivisions listed in italicized font on the following table refer to fully recorded subdivisions; therefore, the number of lots shown for those subdivisions equals the number of the recorded parcels in those subdivisions. The remaining lines each correspond to one recorded parcel. The total number of parcels in the District is 1,831.

The following table shows the number of residential units and non-residential acres contained in each subdivision or parcel. As mentioned above, the italicized subdivisions on the table refer to recorded subdivisions. The assessments for these subdivisions are spread equally to each recorded single family lot in the subdivision. The rest of the lines refer to individual parcels which are given by assessment number in the far left column. Some of these parcels have tentative subdivision maps, as shown, from which lot counts were made for assessment purposes. In those cases where several parcels are included under one tentative subdivision map heading and several lot counts are given, each lot count refers to one of the assessed parcels, in respective order.

OFFICE OF THE
CITY CLERK

City Council
Sacramento, California

Honorable Members in Session:

SUBJECT: INITIATING ANNUAL PROCEEDINGS FOR THE LAGUNA CREEK MAINTENANCE DISTRICT

LOCATION AND COUNCIL DISTRICT

The Laguna Creek Maintenance District is located north of Sheldon Road between Franklin Boulevard and Bruceville Road in Council District No. 8 (please see attached Exhibit "A").

RECOMMENDATION

This report recommends that City Council:

- Adopt Resolution Directing Filing of Annual Report for FY 1994/95 for the Laguna Creek Maintenance District.

- Adopt Resolution of Intention to Order Improvements FY 1994/95 for the Laguna Creek Maintenance District.

CONTACT PERSON: Ronald Wicky, Special Districts Analyst, 264-5628.

FOR COUNCIL MEETING OF: May 24, 1994.

SUMMARY

The Laguna Creek Maintenance District was established to recover the annual costs for the maintenance of this district. The recommended Council action will formally initiate the annual proceedings and set a public hearing date for June 21, 1994 (please see attached Exhibit "B").

CONTINUED
FROM 5-24-94
TO 5-31-94

The recommended Council action is necessary to allow staff to notify the public of the proposed hearing, which has been set for June 21, 1994. The hearing will allow public testimony and for Council to take action on the proposed annual assessment budget.

FINANCIAL CONSIDERATIONS

The total cost for the 1994/95 fiscal year is projected at $142,480. This represents a 6.2% decrease from the $151,888 assessed for fiscal year 1993/94. The following is a summary of the costs:

	FY 93/94	Proposed FY 94/95
Monitoring Program	$58,569	$53,569
Maintenance Contracts	52,373	52,372
Unscheduled Maintenance	5,000	5,000
Public Outreach	10,000	10,000
Contract Admin.	18,101	23,101
Special Districts Annual Reporting	3,678	3,680
Contingency	2,987	45,000
Sub-total	150,708	192,722
Billing & Administration	1,180	965
Total Budget	$151,888	$193,687
(Surplus)/Deficit	0	(51,207)
Total Assessed	$151,888	$142,480

Maintenance costs will be assessed to both developed and undeveloped properties within the district. At present there are 1,831 individual ownership parcels within the district. This figure is expected to grow in the coming years as additional properties are subdivided and developed. The following table summarizes how the maintenance costs are apportioned to the various land use categories.

	Annual Maintenance Assessment	
	FY 93/94	FY 94/95
Single-Family Residential (per unit	$51.10	47.86
Developed Multi-Family and Condos (per unit)	34.96	32.72
Undeveloped Multi-Family (per acre)	514.67	483.30
Non-Residential (Land Area)		
0-25,000 Square Feet (per parcel)	72.47	68.52
25,000-100,000 Square Feet (per parcel)	362.54	340.60
Over 100,000 Square Feet (per parcel)	754.17	707.96
Churches (per parcel)	21.41	20.00

POLICY CONSIDERATIONS

These proceedings for the Annual Report are being held pursuant to Title 81 of the City Code. This chapter of the Code was specifically developed and adopted as an enabling ordinance for the subject maintenance district. No new policy decisions are required for this item.

MBE/WBE

This annual budget and assessment levy process does not involve the contractor selection process.

Respectfully submitted,

GARY ALM
Supervising Engineer

RESOLUTION NO. 94-331

ADOPTED BY THE SACRAMENTO CITY COUNCIL

ON DATE OF _____

RESOLUTION OF INTENTION TO ORDER IMPROVEMENTS FOR FY 1994/95 LAGUNA CREEK MAINTENANCE DISTRICT

1. The City Council intends to levy and collect asessments within the Laguna Creek Maintenance District during fiscal year 1994/95. The area of land to be assessed is located in the City of Sacramento, Sacramento County.

2. The maintenance of improvements to be made in this asessment district are generally described as follows:

   The maintenance activity, with respect to the improvements to be maintained, includes, but is not limited to: scheduled horticultural maintenance and cleanup of landscape areas; monitoring, maintenance, and repair of vernal pools and other wetland areas; repairs or additions or reconfigurations of irrigation systems; replacement of plants or other materials damaged by the elements, vandalism, or otherwise; maintaining planting basins; operation of any system contained within the improvements; irrigation activity; fertilization; pruning; staking; turf mowing/maintenance; grassland mowing; disking fire breaks and litter control; patrolling; bike trail repairs and maintenance; keeping of records as required or convenient; any and all work or materials required to satisfy conditions of the "Section 404 Permit" covering the improvements; plant replacement; turf and grassland reseeding; insect, weed, and rodent control; erosion control; channel repairs; removal, hauling, and dumping of debris; maintenance and repair of floodway improvements and areas adjacent to the floodway right-of-way; vernal pool renovation; repair to damage of any sort to any of the improvements or collateral facilities; and any other work required to properly operate, maintain, repair, or replace the improvements of the Laguna Creek Floodway.

City Council
Sacramento, California

Honorable Members in Session:

SUBJECT: INITIATING ANNUAL PROCEEDINGS FOR THE LAGUNA CREEK MAINTENANCE DISTRICT

LOCATION AND COUNCIL DISTRICT

The Laguna Creek Maintenance District is located north of Sheldon Road between Franklin Boulevard and Bruceville Road in Council District No. 8 (please see attached map).

RECOMMENDATION

This report recommends that City Council:

- Adopt Resolution Directing Filing of Annual Report for FY 1994/95 for the Laguna Creek Maintenance District.

- Adopt Resolution of Intention to Order Improvements FY 1994/95 for the Laguna Creek Maintenance District.

CONTACT PERSON: Ronald Wicky, Special Districts Analyst, 264-5628.

FOR COUNCIL MEETING OF: May 10, 1994.

SUMMARY

The Laguna Creek Maintenance District was established to recover the annual costs for the maintenance of this district. The recommended Council action will formally initiate the annual proceedings and set a public hearing date for May 31, 1994.

COMMITTEE/COMMISSION ACTION

None.

BACKGROUND INFORMATION:

The Laguna Creek wetlands area was constructed in 1988. On April 16, 1991, the City Council approved formation of the Laguna Creek Maintenance District. The district provides funding for environmental monitoring and maintenance activities associated with the Laguna Creek Wetlands Mitigation program. The monitoring and maintenance work is required to comply with a Section 404 Permit (No. 9570) issued by the U.S. Army Corps of Engineers to the City of Sacramento. The adopted monitoring program identifies a five to eight-year monitoring period. The City is currently in its sixth year of monitoring.

Monitoring and Maintenance Program

The Laguna Creek Wetlands Maintenance Area is located between Sheldon Road, Bruceville Road, and Franklin Boulevard. This area includes the primary creek channel and adjacent wetlands, wetlands preserve to the south of the floodway, and adjacent turf areas. The maintenance area also includes channel improvements and wetlands located west of Franklin Boulevard, which were constructed as part of the Laguna Creek Floodway project (please see attached map). In brief, the work that is funded by the annual maintenance district includes:

- Monitoring, maintenance, repair of vernal pools, and other designated wetland areas, and preparation of annual report to Army Corps of Engineers.

- Maintenance and repair of irrigation systems.

- Maintenance and operation of planting basins, including fertilization, pruning, staking, turf and grassland mowing, disking fire breaks, litter control, and patrolling.

- Maintenance of bikeways and landscaping adjacent to the wetlands area.

- Unscheduled maintenance such as repair of damage due to vandalism, flood or fire, and temporary irrigation of vernal pools not wetted by natural events.

- Public outreach, including design and development of interpretive signage, education workshops, nature walks, information for the kiosk (i.e. community information center), and for wetlands articles in the North Laguna Creek Neighborhood Association newspaper.

The recommended Council action is necessary to allow staff to notify the public of the proposed hearing, which has been set for May 31, 1994. The hearing will allow public testimony and for Council to take action on the proposed annual assessment budget.

FINANCIAL CONSIDERATIONS

The total cost for the 1994/95 fiscal year is projected at $142,480. This represents a 6.2% decrease from the $151,888 assessed for fiscal year 1993/94. The following is a summary of the costs:

	FY 93/94	Proposed FY 94/95
Monitoring Program	$58,569	$53,569
Maintenance Contracts	52,373	52,372
Unscheduled Maintenance	5,000	5,000
Public Outreach	10,000	10,000
Administration	21,779	26,781
Contingency	2,987	45,000
Sub-total	150,708	192,722
Billing & Administration	1,180	965
Total Budget	$151,888	$193,687
(Surplus)/Deficit	0	(51,207)
Total Assessed	$151,888	$142,480

Maintenance costs will be assessed to both developed and undeveloped properties within the district. At present there are 1,831 individual ownership parcels within the district. This figure is expected to grow in the coming years as additional properties are subdivided and developed. The following table summarizes how the maintenance costs are apportioned to the various land use categories.

	Annual Maintenance Assessment	
	FY 93/94	FY 94/95
Single-Family Residential (per unit	$51.10	47.86
Developed Multi-Family and Condos (per unit)	34.96	32.72
Undeveloped Multi-Family (per acre)	514.67	483.30
Non-Residential (Land Area)		
0-25,000 Square Feet (per parcel)	72.47	68.52
25,000-100,000 Square Feet (per parcel)	362.54	340.60
Over 100,000 Square Feet (per parcel)	754.17	707.96
Churches (per parcel)	21.41	20.00

POLICY CONSIDERATIONS

These proceedings for the Annual Report are being held pursuant to Chapter 81 of the City Code. This chapter of the Code was specifically developed and adopted as an enabling ordinance for the subject maintenance district. No new policy decisions are required for this item.

MBE/WBE

This annual budget and assessment levy process does not involve the contractor selection process.

Respectfully submitted,

GARY ALM
Supervising Engineer

ENGINEER'S REPORT
FY 1994/95
LAGUNA CREEK MAINTENANCE DISTRICT

MICHAEL KASHIWAGI, Engineer of Work for Laguna Creek Maintenance District, City of Sacramento, County of Sacramento, State of California makes this report, as directed by the City Council, pursuant to Chapter 81 of the Sacramento City Code.

The improvement maintenance work which is the subject of this report (hereinafter referred to as the "work") is briefly described as follows:

The work described herein is to be carried out in the Laguna Creek Floodway corridor and North Folk Floodway corridor within the City limits between Sheldon Road, Bruceville Road and Franklin Boulevard. This includes the creek channel and adjacent lands, the bike trail, wetland preserves to the south of the floodway within City lands and adjacent turf areas. Also included in this work are the County lands, west of Franklin Boulevard which were constructed as a part of the laguna Creek Floodway.

The work to be performed consists of scheduled general horticultural maintenance and cleanup of landscape areas; repairs to irrigation as directed by the City; and replacement of plant materials damaged by vandalism or other means. The work includes, but is not limited to, the maintenance and operation of planting basins, irrigation systems, fertilization, pruning and staking, turf mowing and maintenance, grassland mowing, disking fire breaks, litter control, patrolling, bike trails and the keeping of Contractor's records. Requirements vary by location depending upon the landscaping present. All work described in the Specifications for Laguna Creek Floodway Maintenance and deemed necessary to satisfy the conditions of the Corps of Engineers 404 Permit, as well as any other work required to properly operate, maintain, repair or replace the Laguna Creek Floodway, is also included.

Certain types of unscheduled maintenance are also to be performed, but only when specifically approved by the City of Sacramento Public Works Department. These tasks include plant replacement, turf and grassland seeding, insect, weed and rodent control, erosion control, channel repairs, hauling and dumping debris, maintaining floodway improvements, maintaining areas adjacent to the floodway right-of-way, vernal pool renovation, and repair of damage due to vandalism, flood, or fire. Occasionally, a temporary ditch pump will be needed to inundate vernal pools, which are not wetted by natural events.

All costs associated with the formation and administration of the District are also included.

Funds raised for maintaining and operating the above described improvements shall be based on annual benefit assessment apportioned to land benefitting from work and within the boundaries of the Maintenance District. The Council sets the assessment each year after receiving and reviewing an Engineer's Report and holding a public hearing.

This report includes the following attached exhibits:

EXHIBIT A- An estimate of the cost of the work.

EXHIBIT B- Laguna Creek Floodway Illustrative Map.

EXHIBIT C- A statement of the method by which the undersigned determined the amount proposed to be assessed against each parcel, based on benefits to be derived by each parcel, respectively, from the work.

EXHIBIT D- An assessment roll showing the amount proposed to be specially assessed against each parcel of real property within this maintenance district. Each parcel is described by County Assessor's parcel number, and each parcel is also assigned a separate "assessment number" for the purposes of this proceeding.

EXHIBIT E- A list of the names and addresses of the owners of real property within this maintenance district, as shown on the last equalized assessment roll for taxes, or as known to the Clerk. The list is keyed to Exhibit D by assessment number.

EXHIBIT F- A diagram showing all of the parcels of real property within this maintenance district. The diagram is keyed to Exhibit D by assessment number.

Respectfully submitted,

MICHAEL KASHIWAGI, Deputy Director of Public Works
City of Sacramento, Sacramento County
State of California

METHOD OF SPREADING ASSESSMENTS

The following section describes the proposed method of assessing the costs for the Laguna Creek Maintenance District to each parcel in the District in relation to the amount of benefit received. Costs for this District are assessed to each parcel within the District boundary except for those parcels owned by public agencies or dedicated for public use.

All of the land that was determined to benefit from the improvements funded by the Laguna Creek Assessment District (established in 1988) will also benefit from the operation and maintenance work of this Maintenance District.

Cost of maintenance is assessed to each benefitted parcel in proportion to its residents or employees to the total number of residents (for single family and multi-family residences) and employees (for non-residential parcels) which benefit from the Maintenance District. Each employee is determined to have 40 percent of the benefit of a resident. Each single family residential unit was determined to have an average of 2.673 persons per unit and each multi-family residential unit was determined to have an average of 1.818 persons per unit (Reference 1980 census). The number of residential units for each single family residential parcel within the Maintenance District boundary is based on existing final and tentative maps. Developed multi-family parcels are assessed assuming 15 units per acre. The number of employees in each non-residential parcel was calculated by multiplying an average of 33.47 employees per acre by an average parcel size. The average parcel sizes were calculated to be 12,500 sq. ft. for the 0-25,000 sq. ft. size category, 62,500 sq. ft. for the 25,001-100,000 sq. ft. size category, and 130,000 sq. ft. for the greater than 100,000 sq. ft. size category. Based on operation use factors, churches were determined to have two-sevenths of the benefiting employees of a 0-25,000 sq. ft. non-residential parcel.

Costs for billing and administration for the District are assessed to each benefitted parcel equally, as each parcel is considered to receive the same benefit from this work regardless of land use or parcel size. The amount assessed to each parcel was determined by dividing the cost of billing and administration by the total number of parcels within the District boundary, excluding those parcels owned by public agencies or dedicated for public use. The number of parcels in the District was determined from the following table. The subdivisions listed in italicized font on the following table refer to fully recorded subdivisions; therefore, the number of lots shown for those subdivisions equals the number of the recorded parcels in those subdivisions. The remaining lines each correspond to one recorded parcel. The total number of parcels in the District is 1,831.

The following table shows the number of residential units and non-residential acres contained in each subdivision or parcel. As mentioned above, the italicized subdivisions on the table refer to recorded subdivisions. The assessments for these subdivisions are spread equally to each recorded single family lot in the subdivision. The rest of the lines refer to individual parcels which are given by assessment number in the far left column. Some of these parcels have tentative subdivision maps, as shown, from which lot counts were made for assessment purposes. In those cases where several parcels are included under one tentative subdivision map heading and several lot counts are given, each lot count refers to one of the assessed parcels, in respective order.
