CITY MANAGER'S OFFICE
RECEIVED
OCT 24 1984

APPROVED
BY THE CITY COUNCIL

OCT 30 1984
OFFICE OF THE
CITY CLERK

City Council
Sacramento, California

Honorable Members in Session:

Subject: Rejection of Bids for the Purchase of Various Types of Groundskeeping Equipment

SUMMARY

Various City agencies have a requirement for lawn maintenance equipment, e.g., mowers, leaf blowers, etc. It is recommended that, in the best interest of the City, the City Council reject all bids received for the purchase of these requirements.

BACKGROUND INFORMATION

Formal bids (Bid No. 729) were solicited by the City Council on September 4, 1984 and twelve (12) bids were received on October 2, 1984 (see attached).

After reviewing and evaluating all primary and alternate bids received, it has been determined that many items did not meet the expectations or quality of intended requirements. Additionally, some items had insufficient funding.

FINANCIAL DATA

The solicitation included 17 various items of equipment. We have sufficient funding for 14 of the 17 requirements. The organizations have been notified and will take necessary action prior to readvertising.

RECOMMENDATION

It is therefore recommended that, pursuant to Section 57.305 of the Sacramento City Code, the City Council reject all bids received.
