Honorable Members in Session:

SUBJECT: Appointment to Solid Waste Disposal Options Proposal  
Selection Committee

APPROVED  
BY THE CITY COUNCIL

SEP 10 1985

OFFICE OF THE  
CITY CLERK

SUMMARY

The City Council is requested to appoint Councilmember Tom Chinn to the Solid Waste Disposal Options Proposal Selection Committee as the Council's representative.

BACKGROUND

The City issued a Request-for-Proposal (RFP) in late July, 1985 soliciting proposals for solid waste transfer, processing, materials recovery and landfilling options. Responses are due on September 10, 1985. All responses will be evaluated against criteria included in the RFP, and will also be evaluated against other options such as the proposed Granite Quarry Landfill and waste-to-energy.

The Public Works Department is compiling a selection committee to review all proposals and recommend whether a project, if any, warrants selection for negotiation of a contract for solid waste disposal. The Committee will include members who have the technical and financial background to review these complex proposals. It is requested that one member be appointed by the City Council as its representative.

FINANCIAL

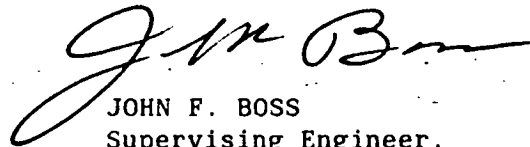

There are no direct financial implications to the action recommended in this report.
