City Council
Sacramento, California

Honorable Members in Session:

SUBJECT: Approval of Plans and Specifications for Installation of Booster Pump at Mc Clatchy Park.

SUMMARY:

The Engineering/Transportation office has prepared Plans and Specifications for the subject project. Copy of said plans and specifications has been forwarded to the City Clerk and approval is recommended.

BACKGROUND INFORMATION

It has been determined that addition of a booster pump is necessary for the proper operation of the irrigation system in Mc Clatchy Park because the water pressure is low.

FINANCIAL:

The City Council approved in the Community Services Budget \$12,000.00 of C.D.B.G. Jobs bill funds for the subject project. Total amount currently available for this project is \$11,165.00. The current estimated construction cost is \$10,500.00.

RECOMMENDATION:

The Director of Public Works recommends that the plans and specifications be approved and that bids be received on February 28, 1984.

Respectfully submitted,

J. F. VAROZZA
Director of Public Works

APPROVED
BY THE CITY COUNCIL

Recommendation Approved:

Walter J. Slipes, City Manager
