Honorable Members in Session:

SUBJECT: ENERGY MANAGEMENT AWARDS

CITY MANAGER'S OFFICE
RECEIVED
JUN 4 1986

SUMMARY

This is an informational report advising City Council that the City of Sacramento and Frank Puccinelli, the City's Energy Systems Coordinator, are the recipients of SMUD's Energy Manager Executive Award for 1986, in recognition of energy conservation efforts.

BACKGROUND

At the CSUS Energy Fair Program Energy Awards Ceremony on Tuesday, June 3, 1986, the City of Sacramento and Bel Air Markets received an Executive Award, SMUD's highest recognition in their entire service area (see exhibits).

The City's award was based on the 10th & L Street Parking Lot lighting conversion (fluorescent to high pressure sodium) and modification of electrical switching controls.

FINANCIAL IMPACT

The return on an investment of \$71,552 is a 1.5-year payback on this project.

RECOMMENDATION

This is an informational report requiring no City Council action.

Respectfully submitted,

Frank Mugartegui

ENERGY MANAGER EXECUTIVE AWARD

This certifies that CITY of SACRAMENTO - Parking Lot H, 10 th. & L Sts. has earned SMUD's highest award for excellence in energy management. By operating efficient equipment and participating in energy management programs, this company uses significantly less electricity than most other companies its size. Employees are aware of energy conservation and consistently practice energy management every working day. Their efforts help reduce system peak demand and provide additional electrical capacity for community growth. This important contribution benefits the electric ratepayers and the welfare of the entire community.
