City Council
Sacramento, California

Honorable Members in Session:

SUBJECT: REJECTION OF BIDS

SUMMARY

This report recommends the City Council reject all bids received for vitrified clay pipe and fittings, asbestos cement fittings, cast iron fittings, PVC water service pipe, copper tubing, valve boxes and covers, and water valves and fittings.

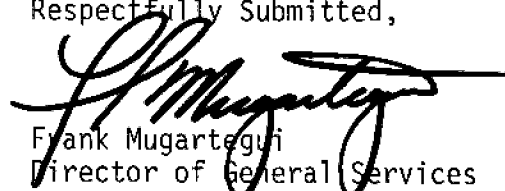

BACKGROUND

Formal bids (Bid #616) were solicited by the City Council on October 19, 1983, and nine (9) bids were received November 15, 1983. Inadvertently, staff failed to make a recommendation of an award to the City Council. Due to the time lapse of eight (8) months, it would be in the best interests of the City to reject all bids.

RECOMMENDATION

It is, therefore, recommended that, pursuant to Section 57.305 of the Sacramento City Code, the City Council reject all bids received.

Respectfully Submitted,

Frank Mugartegui
Director of General Services
