THE HONORABLE ANNE RUDIN
MAYOR OF SACRAMENTO
City Hall
915 I Street,
Sacramento, California

Dear Mrs. Rudin:

Please allow me the honor of presenting you with a copy of my song and recording of SACRAMENTO, THE CITY OF CAMELLIAS which I wrote, recorded, and dedicated to our beautiful city of Sacramento. It is my hope that this song will become Sacramento's anthem. I hope you like it too.

The instrumental version was recorded by the historic Mother-Lode Band of the California Youth Authority's Preston School in Ione, California. It is their first recording and they are thrilled. If the record sells the Preston Band will receive half the profits throught the Inmate Welfare Fund. In addition I hope that the experience will motivate these young men to pursue their musical talents.

Your predecessor Mr. Miller, indicated that I might have a few minutes on the agenda of a Council meeting to formally present the song to the city (I include a copy of my letter to him). If this is possible I would like to have those few minutes.

Sincerely,

Mariluz Buchanan
