Honorable Members in Session:

SUBJECT: Tentative Agreement in Police Management Unit

### SUMMARY

The City of Sacramento and the Sacramento Police Deputy Chiefs and Captains Association reached tentative settlement on the new agreement covering 11 employees in the Police Management Unit for the period December 14, 1982 to June 22, 1984. The tentative agreement has been ratified by the Association membership. The major features of the tentative agreement in the first and second years are:

#### First Year

1. There will be no increase in salaries. The present salary rates will remain frozen for the first year.
2. Effective January 1, 1983, the City's monthly contribution for insurance benefits will increase by \$33.44, thereby changing the monthly contribution from \$132.40 to \$165.84 per employee.
3. Effective January 1, 1983, the City-sponsored Kaiser Plan will be "S" coverage.
4. The annual uniform allowance will be increased by \$50, thereby changing the annual allowance from \$460 to \$510 per eligible employee.

#### Second Year

1. Effective June 25, 1983, there will be an 8% salary increase for all classifications.
2. Effective July 1, 1983, in addition to a \$7.00 increase in the monthly insurance contribution, the City's monthly contribution for insurance benefits will increase by the amount of increase in the full family premium rates for the City-sponsored Kaiser "S" and Traveler's Dental plans.

3. The City will have the right to establish a composite rate for each City-sponsored health and dental plan commencing with Fiscal Year 1984-85.

#### FINANCIAL IMPACT

In the first year, the projected cost increase is \$2,800.

Based on 1982 budget data, the projected additional increase for the second year is \$60,700, excluding any increases in the City's insurance contributions. To give consideration to insurance increases in the second year, if Kaiser "S" and Traveler's Dental plans were to increase a total of \$10 per month, there would be an additional cost of \$1,320 for Fiscal Year 1983-84. The second-year cost projection covers the increased City expenditures to the retirement systems, including the unfunded liability.

#### RECOMMENDATION

It is recommended that the City Council approve the attached tentative agreement in the Police Management Unit.

Respectfully submitted,

Steve Lakich  
Director of Employee Relations

## ARTICLE I RECOGNITION

### 1. RECOGNITION

The City hereby confirms its prior certification of the Association as the recognized employee organization for the employees in the Police Management Unit, as defined in the City's Employer/Employee Relations Policy. The City agrees to meet and confer and otherwise deal exclusively with the Association on all matters relating to the scope of representation pertaining to the said employees as provided under the City's Employer/Employee Relations Policy and authorized by law.

## ARTICLE II ENTIRE AGREEMENT

### 2. ENTIRE AGREEMENT

a. This Agreement, upon ratification by the City Council, supersedes and cancels all prior practices and agreements, whether written or oral, unless expressly stated to the contrary herein, and constitutes the complete and entire agreement between the parties and concludes negotiations for its term.

b. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the scope of representation and that the understanding and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the City and the Association, for the duration of this Agreement and any extension, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to negotiate with respect to any subject or matter, whether or not referred to or covered in this Agreement even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

c. This Article shall not be construed so as to prevent the parties from mutually agreeing, in writing, to reopen a provision or provisions in this Agreement, so long as reopened provisions are specified in the parties' mutual reopened agreement and other provisions in this Agreement continue in full force and effect.

ARTICLE III  
CITY RIGHTS

3. CITY RIGHTS

The City retains the exclusive right, among others, in accordance with and subject to the City Charter, applicable laws, and other regulations, and the provisions of this Agreement, (a) to direct employees of the Police Department; (b) to hire, promote, transfer and assign employees in positions within the Department consistent with applicable classification specifications; (c) to reprimand, demote, suspend or discharge employees; (d) to determine the mission of the Department, its budget, its organization, the number of employees, and the methods and technology of performing its work; and (e) to take whatever action may be appropriate to carry out its mission in situations of emergency.

ARTICLE IV  
ASSOCIATION RIGHTS

4. PAYROLL DEDUCTIONS

a. In addition to continuing existing payroll deductions under plans to which the City now is or shall hereafter be a contracting party, the City agrees to establish payroll deductions for members of the Association for (1) the normal and regular monthly Association membership dues, and (2) monthly insurance premiums for plans sponsored by the Association and open to all its members.

b. All the above payroll deductions shall be subject to the following conditions:

- (1) Such deductions shall be made pursuant to the terms and conditions set forth in authorization forms approved by the City.
- (2) Such deductions shall be made only upon submission to the Payroll Section, Department of Finance, of the said authorization form duly completed and executed by the employee and the Association.
- (3) Any changes, additions and/or deletions of any payroll deductions or any deductions for employees shall be made only upon submission to the Payroll Section, Department of Finance, on or before the fifteenth (15) day of the month preceding the month for which such changes, additions and/or deletions are to be executed on the form designated by the City and duly completed by the Treasurer of the Association or his designated agent.
- (4) The Association agrees to indemnify, defend and hold the City harmless against any claims made of any nature whatsoever,

and against any suit instituted against the City arising from its deductions for dues or insurance sponsored by the Association.

- (5) The City will remit to the Association a check for all of the deductions.

#### 5. ASSOCIATION TIME

When it is required by the City that an employee respond in behalf of the Association, such time spent while on duty shall be at City expense.

### ARTICLE V GRIEVANCE PROCEDURE

The City and the Association agree to implement the following grievance procedure:

#### 6. PURPOSE

a. This grievance procedure shall be used to process and resolve grievances arising under this Agreement.

b. The purposes of this procedure are:

- (1) to resolve grievances informally at the lowest possible level;
- (2) to provide an orderly procedure for reviewing and resolving grievances promptly.

#### 7. DEFINITIONS

a. A grievance is a good faith complaint of one or a group of employees, or a dispute between the City and the Association involving the interpretation, application, or enforcement of the express terms of this Agreement.

b. As used in this procedure the term "party" means an employee, the Association, the City, or their authorized representatives.

c. The employee retains all rights conferred by Sections 3500 et seq., of the Government Code or Civil Service Rules and Regulations of the City unless waived by such employee.

#### 8. STEP ONE

a. An employee who believes he has cause for grievance shall reduce the grievance to writing, on a form provided by the City. The grievance statement will include the following:

- (1) a statement of the grievance clearly indicating the question raised by the grievance and the Article(s) and Section(s) of this Agreement.
- (2) the remedy or correction requested of the City.
- (3) the grievance form shall be signed by the grieving employee, the date and time of presentation affixed thereto, and signed as received by the Chief of Police.

b. The Chief of Police shall give his answer to the grievance in writing within five (5) standard workdays from the time he receives the grievance in writing. This answer shall include the following:

- (1) a complete statement of the Department's position and the facts upon which it is based.
- (2) the remedy or correction which has been offered, if any.

#### 9. STEP TWO

The appeal to the second step will be made within ten (10) standard workdays after receipt of the Chief's decision. The hearing of the grievance will be held within ten (10) standard workdays after receipt of the appeal to the second step. The Association Representative and the City Manager, or his designated representative, will meet in an effort to settle the matter. The City's answer will be made in ten (10) standard workdays after the hearing is held.

#### 10. ARBITRATION

a. If the second step answer is not satisfactory to the employee, the Association may appeal the grievance to arbitration. The request for arbitration must be given in writing to the City Manager or his designated representative by the Association within ten (10) standard workdays from the date of the second step answer.

b. An arbitrator may be selected by mutual agreement between the Association Representative and the City Manager, or his designated representative.

c. Should the representatives fail to mutually agree on an arbitrator they shall make a joint request to the State of California Conciliation Service for a list of five (5) qualified arbitrators. The parties shall each strike two (2) names from the list and the remaining person shall be accepted as the arbitrator. The first party to strike will be determined by the flip of a coin.

d. It is understood that the arbitrator will only interpret this Agreement and will in no instance add to, delete from, or amend any part thereof. The arbitrator's decision shall be final and binding on the City, the Association and employee.

e. The fees of the arbitrator and the court reporter, if used, will be borne by the losing party.

f. Either party to this Agreement shall, upon receipt of a written grievance, have the right to refuse to handle such grievance if the aggrieved party has not followed the steps outlined in this Article for processing a grievance.

g. No matter shall be considered as a grievance under this Article unless it is presented in writing within thirty (30) calendar days after occurrence of the events on which the grievance was based. With the consent of the City's second step representative the 30-day time limit for filing grievances may be extended.

h. If the City does not meet time limits, the Association may process the grievance to the second step of the grievance procedure. Time limits may be waived at any step with the mutual agreement of the Association and the City.

i. An Association representative shall have the authority to settle grievances for the Association or employees at the respective steps of the grievance procedure.

#### 11. WITNESSES

The City agrees that employees shall not suffer loss of compensation for time spent as a witness at an arbitration hearing held pursuant hereto. The Association agrees that the number of witnesses requested to attend and their scheduling shall be reasonable.

### ARTICLE VI DISCIPLINE

#### 12. DISCIPLINE

a. The City Manager shall retain full authority to discipline employees pursuant to the provisions of the Charter of the City of Sacramento. However, employees shall have the right to appeal disciplinary action. Discipline shall be defined as dismissal, demotion, suspension, reduction in salary, written reprimand, or transfer for purposes of corrective disciplinary action. Prior to disciplinary action being taken the employee will be given a written notice of the proposed action, which will include a reasonable period of time to appeal the proposed disciplinary action to the Chief of Police.

b. An employee who has been disciplined may appeal such action as follows:

- (1) Within ten (10) workdays from written notification of disciplinary action, the employee may file a written formal request for disciplinary review with the City Manager, Room 109, City Hall, Sacramento, California 95814. The written request for review must set forth the specific complaint, all related facts and state the requested remedy.

- (2) The City Manager shall conduct an informal hearing on the appeal within ten (10) days after receipt of the written request for disciplinary review. The City Manager shall then render a decision in writing within ten (10) workdays of the hearing.
- (3) If the employee is not satisfied with the decision of the City Manager, the employee may appeal the matter to an independent hearing officer. The request for a hearing must be submitted to the City Manager within ten (10) workdays from the date of the City Manager's written decision.
- (4) The decision of the hearing officer shall only be advisory to the City Manager and in no way shall it be deemed final and binding. The jurisdiction of the independent hearing officer shall be limited to determining whether or not the disciplinary action was appropriate based on a complete review of the facts and imposed for just cause. The employee may exercise all of his rights to freedom of expression under the First Amendment and will not be disciplined due to race, color, religion, sex or national origin.

c. All fees and cost of the hearing officer shall be borne equally by the City and the Association.

d. The time limits as stated in this Article shall be mandatory and if not met by the employee, the City shall have the right to refuse the appeal in its entirety. If the City Manager does not render a decision in writing within ten (10) working days of the informal hearing by the City Manager, the Association will give written request to the City Manager of the no response. In the event the City Manager does not respond with a written decision within ten (10) workdays of receipt of the written request, the employee will have the disciplinary action declared null and void and be reimbursed for any monetary loss suffered.

e. The parties agree that the hearing officer shall hold the hearing in private, and as a result shall not be open to members of the public. The hearing officer will render his advisory decision to the City Manager and the appellant only.

f. All investigations of employees covered by this Agreement that could result in disciplinary action shall be conducted by the Captain of Inspections and Standards, Assistant Chief of Police, or a Deputy Chief of Police only.

ARTICLE VII

13. 1982-83 SALARIES

The bi-weekly rates of pay as set forth in Exhibit A shall continue in effect through June 24, 1983.

14. 1983-84 SALARIES

ARTICLE VIII  
INSURANCE BENEFITS

15. INSURANCE BENEFITS

a. Effective January 1, 1983, the City agrees to make contributions up to \$165.84 on a monthly basis toward the premiums for medical, dental, disability, and/or life insurance for each eligible employee and qualified dependents, if any. Such contributions will be made to eligible employees on each of the first two paydays in a calendar month for insurance coverage the first and second halves of that month, respectively. An employee shall be eligible for a City contribution on each such applicable payday if the employee is paid for one or more hours of salary. The City further agrees to provide basic life insurance in an amount of \$25,000 to each eligible employee at no charge if the employee is paid one or more hours of salary per payday on the same basis as above. Employees who are paid less than one hour salary per payday may continue any City-sponsored insurance in effect, for up to six (6) months, by personal remittance or other arrangement for payment of the full premiums of any insurance elected to be continued. All terms and conditions of medical, dental and basic life insurance will be as outlined in certificates of coverage and related insurance contracts.

b. Effective January 1, 1983, the City-sponsored Kaiser Plan will be "S" coverage (Drug III, Optical A, and Dependent Code 2).

c. Effective July 1, 1983, in addition to a \$7.00 increase in the monthly insurance contribution, the City will increase the maximum monthly insurance contribution as set forth in Section (a) above by a dollar amount equal to the increase in the full family premium rates for the City-sponsored Kaiser "S" and Traveler's Dental plans. This increase, if any, will be calculated by subtracting the premium rates in effect September 1982 from the rates to be effective September 1983.

d. The City shall have the right to establish a composite rate for each City-sponsored health and dental plan commencing with Fiscal Year 1984-85.

ARTICLE IX  
SPECIAL ALLOWANCES

16. UNIFORMS

The City agrees to reimburse employees in the amount of \$510.00 annually for regulation items of uniform and personal equipment that the Police Department requires to be worn as a condition of employment. This amount shall be payable in two equal installments in July and January of each calendar year.

17. TEMPORARY WORK IN HIGHER CLASSIFICATION

a. When a vacancy arises in the Police Department above the grade of Captain by reason of vacation, illness, injury or absence without pay, an employee of lower rank may be assigned to fill the position until such time as the absent member shall return, in accordance with Section 101 of the City Charter. An employee so assigned shall carry the title and receive compensation in the higher class in the manner described below for the duration of such assignment.

b. When an employee is assigned temporarily to a higher class, and has performed substantially all the functions of the higher class, the employee shall be compensated therefore by payment of five percent (5%) of the base salary he received prior to the temporary assignment, or the salary provided for the "A" step in the higher class, whichever is greater, but not to exceed the maximum rate for the higher class. Any temporary assignment which may exceed thirty days duration shall require the approval of the City Manager.

- (2) If the recognized holiday falls on a Sunday, the following Monday shall be considered as the employee's holiday.

c. If an employee's scheduled days off are other than Saturday and Sunday during the standard City workweek in which a recognized holiday falls, the following shall apply:

#### 19. SICK LEAVE

a. An employee shall accumulate sick leave credits at the rate of one day per month of employment, which may be used at the discretion of the employee in the event of illness or injury, but not to exceed the maximum amount of the employee's accumulation.

An employee in active service of the City eligible to accumulate sick leave credits shall on the twenty-fifth day of January each year, receive a cash payment for twenty-five percent (25%) of the unused portion of sick leave credits accumulated during the preceding calendar year from January 1 through December 31, provided the employee shall have to his credit on December 31, immediately preceding the date for payment, a total of at least sixty (60) sick leave days accumulated. No employee whose services are terminated by reason of discharge, or by reason of resignation prior to the completion of two (2) year's service, shall be eligible for payment of any portion of accumulated sick leave credits.

## 20. MANAGEMENT LEAVE TIME

a. The City and the Association recognize that, under City Code Section 2.98, management employees represented by the Association are required to devote as much time to their employment as may be necessary for the efficient operation of the City government; that frequently the efficient operation of the City government requires that such employees work in excess of forty (40) hours per week; that management employees do not receive and are not entitled to premium compensation for those hours worked in excess of forty (40) hours per week; that, over time, such long hours have a deleterious effect on the ability of such management employees to perform effectively; and that, as management employees are the only City employees required to devote as much time to their employment as may be necessary for the efficient operation of government, it is necessary to devise a unique method of compensating such employees for the unique demands which the City may properly place upon their time.

b. Therefore, the City agrees to grant each employee represented by the Association forty (40) hours of management leave time, with pay, per fiscal year. Management leave time shall accrue and accumulate in accordance with the provisions of paragraph (d) of this Section. Any employee who wishes to take management leave time shall submit a written request, on such form as the Director of Finance may prescribe, to his or her supervisor. The decision of the supervisor to grant, deny or modify a management leave time request shall be final.

c. If for any reason an employee is unable to take all of his or her management leave time by June 30 of any fiscal year, the unused portion of such leave time shall be forfeited.

d. The total number of hours of management leave time to which an employee is entitled under paragraph (b) of this Section shall accrue on July 1, 1980, and on July 1 of each succeeding fiscal year; provided, however, that employees appointed to positions in classifications represented by the Association after July 1 of any fiscal year shall, for that fiscal year, only be entitled to a pro-rata share of forty (40) hours of management leave time based upon the number of full months remaining in that fiscal year, and such pro-rata share shall accrue immediately upon appointment. Management leave time shall be useable immediately upon accrual, subject to the provisions of paragraph (b) of this Section. Management leave time shall not accumulate from fiscal year to fiscal year.

## 21. TIME OFF REQUESTS

a. Time off requests for hours under holiday and vacation accruals, or management time, shall be by verbal request to the employee's next highest level of supervision, (i.e., Deputy Chief to Chief, Captain to Deputy Chief). The decision to grant the time off request, in all cases, shall be final regardless of the type of time off requested.

b. Holiday hours shall be those hours as defined in Article X, Section 18, Holiday Benefits, of this Agreement.

c. Vacation hours shall be defined as those hours accumulated under current Charter language providing for earned vacation allowance.

## ARTICLE XI LAYOFF

## 22. LAYOFF

a. When it becomes necessary, due to the lack of work, lack of funds, or in the interest of economy, to reduce the number of employees in a class covered by this Agreement, the Chief of Police shall evaluate the employees in the affected class to determine the employee eligible for layoff. This evaluation shall be reviewed by the City Manager.

b. Any employee evaluated and selected for layoff shall have a right to immediately demote in the following manner:

(1) Deputy Chief to Captain

(2) Captain to Lieutenant

c. Once an employee demotes to a lower class, and should that class be fully staffed, or employees of that class are also being laid off, the demoted employee shall not be evaluated for layoff again within his new class.

d. If an employee is demoted, seniority in the lower class will be determined by the original lower classification seniority and seniority in the higher class.

ARTICLE XII  
MISCELLANEOUS

23. USE OF CITY VEHICLES

a. The City agrees to extend its past practice regarding the use of a City vehicle as set forth in the letter to the Association dated November 17, 1977.

b. In the event, however, that the City Council determine that the current practice should be changed in any way, the City and the Association agree to meet and confer on the matter upon demand.

24. SAFETY EQUIPMENT

The City will provide, at no cost to the employee, the City-issued four inch (4") revolver and the Smith and Wesson Model 19, two-and-one-half inch (2-1/2") revolver, with holsters, provided: (1) only City-issued ammunition shall be used with either revolver; (2) individual employees must qualify with the Smith and Wesson Model 19, two-and-one-half inch (2-1/2") revolver of Departmental shoots to become and remain eligible to carry such revolver; (3) only the City-issued four inch (4") revolver shall be carried while the employee is in uniform, and (4) only the City-issued four inch (4") revolver or the Smith and Wesson Model 19 two-and-one-half inch (2-1/2") revolver shall be worn on duty.

25. REPAIR OR REPLACEMENT OF DAMAGED UNIFORM ITEMS AND PERSONAL PROPERTY

The City agrees to reimburse employees in the Police Department for the repair or replacement of uniform items, and for other personal property damaged, lost or stolen in the course of employment and performance of their assigned duties without fault or negligence on the part of employees, other than normal wear and tear in accordance with the policy provisions attached hereto and incorporated herein as Exhibit B.

26. PHYSICAL EXAMINATIONS

The City and the Association agree to discuss physical examinations during the term of this Agreement.

27. PERFORMANCE EVALUATION SYSTEM

The Police Department intends to develop and retains the right to implement an employee evaluation system for employees covered by this Agreement.

28. DEFERRED LUMP SUM PAYMENT

An employee who retires from the City may request to defer the lump sum payment on vacation accumulation, holiday credit, and sick leave buy-out until the next calendar year after the date of retirement. Upon such request, the City will defer such lump sum payment to the month selected by the employee in the next calendar year. The amount of lump sum payment shall be the same as the employee would have received upon retirement and with no interest.

29. SAVINGS CLAUSE

If any provision of this Agreement, or the application of such provision should be rendered or declared invalid by any decree of a court of competent jurisdiction or by reason of any existing or subsequently enacted legislation, the remaining parts or portions of this Agreement shall remain in full force and effect.

30. TERM

a. This Agreement shall remain in full force and effect from December 14, 1982 to and including June 22, 1984.

b. The provisions of this Agreement shall be effective on the effective date stated above except as otherwise specifically provided.

## EXHIBIT 8

### 1. POLICY

a. Employees will be reimbursed for the loss, repair or replacement of personal property damaged in the course of employment while performing their assigned duties.

b. The City shall either repair or replace damaged or lost items. The choice to either replace or repair damaged or lost items shall rest with the City. The City may return the replaced property to the employee if the City so desires.

c. The intent of the policy is to permit reimbursement for the repair or replacement of such items as eyeglasses, hearing aids, dentures, watches, personal professional equipment or articles of clothing if necessarily worn or carried by the employee in the course of his employment. Reimbursement shall be authorized only when the damage is caused by circumstances which arise out of employment, and not from ordinary wear and tear or damage. This policy extends to both field and office personnel.

### 2. EXCLUSIONS: This Policy shall not apply to:

a. Losses of precious or semi-precious stones, or losses to pieces of personal jewelry.

b. Losses to any automobile, vehicle, trailer, motorcycle or any equipment thereto, except in the course of employment and/or performance of assigned duties when property authorized.

c. Losses of money.

d. Losses resulting from acts of negligence or deliberate destructive acts on the part of the employee.

e. Losses resulting from ordinary wear and tear incidental to normal use and employment.

### 3. MISREPRESENTATION

The provisions of this policy shall not apply if it appears that the employee has concealed or intentionally misrepresented any material fact or circumstance concerning the subject of the loss, his interests therein, or in the case of any fraud or false statements by the employee relating thereto.

4. VALUATION

Upon acceptance of a claim, the City shall not be liable beyond the actual cash value of the employee's property at the time any loss or damage occurs, and the loss or damage shall be ascertained or estimated according to such actual cash value with proper deduction for depreciation, however caused, and shall in no event exceed what it would then cost to repair or replace the same with material of like kind or quality. Deduction for depreciation will be calculated at the rate of 10% per year from date of purchase of damaged item.

5. RECOVERY

If in the event of any loss or damage, the employee shall acquire any right of action against any individual, firm or corporation for loss or damage to property covered by this policy, the employee assigns and transfers the amount paid, and will permit suit to be brought in the employee's name under the direction of and at the expense of the City.

5. LIABILITY LIMITS

Notwithstanding any of the above, an individual employee shall recover no more than \$200 in any calendar year as a result of this policy. Items of theft, or mysterious disappearance, shall be reported to the Police Department prior to the preparation of any loss claim.
