SUMMARY

Plans and specifications for this project have been prepared. Approval of the plans and specifications and authorization to advertise for bids is recommended.

A Categorical Exemption for this project was filed with the County Clerk of the County of Sacramento on January 15, 1986. The engineer's estimated construction cost is \$48,000.

FINANCIAL

Sufficient funds are available for this project. The estimated total project cost, including all planning, design and construction costs, is \$59,000. The current budget is \$60,000, which was approved in the Capital Improvement Program with \$30,000 from the General Fund and \$30,000 from the Capital Grant Fund (LAWCON).
