**SUBJECT:** Acceptance of Common Use Agreement to Construct Belvedere Avenue on Pacific Gas and Electric Company's Easement

SUMMARY:

Adoption of a Resolution authorizing the City Manager and City Clerk to execute the Consent to Common Use Agreement from Pacific Gas and Electric Company to the City of Sacramento for the construction of a portion of Belvedere Avenue in the P G & E easement between 82nd Street and the Central California Traction Company's railroad tracks.

BACKGROUND:

The Florin Perkins Industrial Park Assessment District will construct Belvedere Avenue from 82nd Street to Florin Perkins Road. A portion of Belvedere Avenue will be constructed upon a P G & E easement for overhead power lines. The City staff has reviewed the location of said power lines and they do not interfere with the proposed street improvements. (The subject assessment district project was recently awarded to Teichert Construction.)

FINANCIAL DATA

No City funds are involved and P G & E is not requesting compensation for the Consent to Common Use Agreement.

RECOMMENDATION

Adoption of the attached Resolution is recommended which authorizes the City Manager and City Clerk to execute the Consent to Common Use Agreement from P G & E to the City.

Respectfully submitted,

L. M. Frink  
Deputy Director of Public Works
