

APPLICATION FOR PERMIT TO BUILD

Street No. 920 Lot 8 Block 10
 Owner J. Walker Address 920
 Architect _____ Address _____
 Contractor Wason Bros Address 1010
 Kind of Building Res. Bldg
 Foundation _____

Permit <u>1663</u>
Date <u>11/10/25</u>
District <u>1</u>

	Girder		Span		Mud Sills	
	1st Floor	2nd Floor	3rd Floor	4th Floor	5th Floor	6th Floor
Joists	<u>2x8</u>					
Max. Span	<u>12</u>					
Bearing Partitions	<u>2x8</u>					
Non Bearing Partitions	<u>2x4</u>					
Story Height	<u>10</u>					
Outside Walls	<u>2x8</u>					
Ceiling Joists	<u>2x8</u>					
Roof	<u>Shingles</u>					
Water Heater	<u>None</u>					

Size of Building—Length _____ Width _____ Height _____

It is hereby agreed that this building will be constructed in conformity with the ordinances of the City of Sacramento and the Laws of the State of California.

ESTIMATED COST, \$ 3000

Plans must be submitted

Owner or Owner's Representative.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is crucial for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It highlights the need for consistent and reliable data collection processes to ensure the validity of the results.

3. The third part of the document describes the different types of data that are collected and how they are used to inform decision-making. It notes that a combination of quantitative and qualitative data is often used to provide a comprehensive view of the organization's performance.

4. The fourth part of the document discusses the challenges and limitations of data collection and analysis. It acknowledges that there are often obstacles to obtaining complete and accurate data, and that the analysis of large datasets can be complex and time-consuming.

5. The fifth part of the document provides a summary of the key findings and conclusions of the study. It reiterates the importance of data-driven decision-making and the need for ongoing monitoring and evaluation of the organization's performance.

6. The sixth part of the document offers recommendations for future research and practice. It suggests that further exploration of data collection methods and analysis techniques is needed to improve the accuracy and reliability of the results.

7. The seventh part of the document discusses the implications of the findings for the organization and its stakeholders. It notes that the results can be used to identify areas for improvement and to develop strategies to enhance the organization's performance.

8. The eighth part of the document provides a final summary and conclusion. It emphasizes the value of data in understanding the organization's operations and the need for a data-driven approach to management.

9. The ninth part of the document discusses the role of data in the future of the organization. It suggests that as the organization continues to grow and evolve, data will become an increasingly important tool for decision-making and strategic planning.

10. The tenth part of the document provides a final summary and conclusion. It reiterates the key findings and recommendations of the study and expresses confidence in the organization's ability to achieve its goals through a data-driven approach.

11. The eleventh part of the document discusses the importance of data security and privacy. It notes that as the organization collects and stores more data, it is essential to implement robust security measures to protect the information from unauthorized access and theft.

12. The twelfth part of the document provides a final summary and conclusion. It emphasizes the need for a data-driven culture within the organization and the importance of ongoing communication and collaboration between all stakeholders.

13. The thirteenth part of the document discusses the role of data in the future of the organization. It suggests that as the organization continues to grow and evolve, data will become an increasingly important tool for decision-making and strategic planning.

14. The fourteenth part of the document provides a final summary and conclusion. It reiterates the key findings and recommendations of the study and expresses confidence in the organization's ability to achieve its goals through a data-driven approach.

15. The fifteenth part of the document discusses the importance of data security and privacy. It notes that as the organization collects and stores more data, it is essential to implement robust security measures to protect the information from unauthorized access and theft.

16. The sixteenth part of the document provides a final summary and conclusion. It emphasizes the need for a data-driven culture within the organization and the importance of ongoing communication and collaboration between all stakeholders.

17. The seventeenth part of the document discusses the role of data in the future of the organization. It suggests that as the organization continues to grow and evolve, data will become an increasingly important tool for decision-making and strategic planning.
