Re: Elk Grove School District Impaction Fees

Dear Councilmembers:

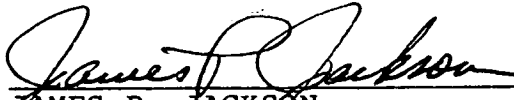

This item was continued by the Council at our request until July 3 to enable us to render an opinion regarding some legal questions raised by Mr. Ed Kimmel of Lewis Homes. On Wednesday, June 27, Mr. Kimmel appeared at a meeting of the Sacramento County Board of Supervisors and raised the same objections he had raised with the City. The Board of Supervisors referred the legal questions to the County Counsel with a report due on July 17, 1984.

In order to give our office time to coordinate our response with the County Counsel, I recommend that this item be continued by the City Council until July 17, 1984. We have discussed this matter with Elk Grove School District officials and they do not object to this continuance.

RECOMMENDATION

It is recommended that this matter be continued until July 17, 1984.

Very truly yours,

JAMES P. JACKSON
City Attorney
