Honorable Members in Session:

SUBJECT: MAINTENANCE AGREEMENT FOR POLICE DEPARTMENT'S COMPUTER AIDED
DISPATCH (CAD)/MESSAGE SWITCHING (MS) SYSTEMS

SUMMARY

This report recommends that the City Council, by resolution, suspend competitive bidding and authorize the approval of a maintenance agreement with Digital Equipment Corporation (DEC) to provide maintenance for the Police Department's PDP 11/44 systems and associated peripherals.

BACKGROUND

With the expansion of PDP 11/44 systems and associated peripherals in the City's recently opened Communication Center, it is staff's opinion that it is in the best interest of the City that maintenance of the subject equipment be performed by the manufacturer's representatives who are completely knowledgeable of the hardware configuration, have readily available replacement parts, and can provide engineering/technical assistance on a 24-hour basis.

FINANCIAL

The annual cost of this maintenance agreement is \$37,840.16. Funding is provided for in the FY 1983-84 Police Department Budget (1-01-2112-0000-4242).

RECOMMENDATION

It is recommended that the City Council, by passage of the attached resolution, approve the suspension of formal bidding procedures for the maintenance of said equipment and authorize the City Manager to enter into an agreement with Digital

Equipment Corporation for an amount not to exceed \$37,840.16 for said maintenance.

Respectfully submitted,
