Sacramento Festival

SUMMARY

This report recommends that the City Council, by resolution, authorize the City Manager to execute an agreement with the State Lands Commission for the use of certain submerged lands near the Docks Area to accommodate the Sacramento Water Festival.

BACKGROUND INFORMATION

Annually, the Sacramento Water Festival, Inc , with assistance from the City and the Counties of Sacramento and Yolo, sponsors a two-day celebration on the Sacramento River. This activity requires an extensive amount of planning, coordination and cooperation to manage this large and diverse event. A number of permits and leases are jointly obtained by the City and the Water Festival Association. An annual lease of less than 60 days with the State Lands Commission is required to accommodate certain structures which are part of the numerous boating and water safety activities.

FINANCIAL DATA

There is no cost to the City or the Sacramento Water Festival for this limited lease.

RECOMMENDATION

It is recommended that the City Council, by resolution, authorize the City Manager to execute an agreement with the State Lands Commission and the Sacramento Water Festival, Inc. for the use of certain submerged land in the Docks Area along Front Street in Sacramento.
