| Installation/freight | 1,500 | 1,590 | 850 |
| Warranties | 1 year electronics lifetime/gates | 90 day/total 822 (9 mo/total) | 1 year/total (440/yr service) |
| Sales tax 6% | 2,200 | 2,177 | 1,468 |
| Bid price (extrapolated by staff based on vendor price for features desired) | \$40,370 | \$38,453 | \$27,228 |

*Staff who reviewed the systems do not feel that Checkpoint is suited to Sacramento Public Library needs because the system is in our opinion too easily compromised:

1. Targets are visible. Since we plan to insert them randomly instead of in all materials, it is easy to distinguish between those targeted and those not.

2. Checkcards are placed over targets to take materials through the gates. These cards could be easily removed from properly charged out materials and used to take uncharged out material through the gates.

Estimated Cost: \$40,000
