SUBJECT: RECOMMENDATION TO PROHIBIT PARKING ON NORTH B STREET FROM
NORTH 12TH STREET TO NORTH 14TH STREET AND UPDATE THE
RESOLUTION PROHIBITING PARKING AT ALL TIMES.

SUMMARY

This report recommends that parking be eliminated on both sides of North B Street from North 12th Street to North 14th Street. It is further recommended that Resolution 82-323 be repealed and an updated resolution prohibiting parking at all times be approved.

BACKGROUND

The Sacramento City Police Department has requested that parking be eliminated on North B Street from North 12th Street to North 14th Street. The Police Department and the businesses along North B street have been experiencing increasing problems with the transients in the area. Prohibiting parking on North B Street would eliminate vehicles that park for long periods and associated problems. The businesses have adequate off-street parking for employees and customers and all are in favor of the elimination of parking along this section of North B Street.

Periodically, parking resolutions are updated to include all charges under one resolution. All streets with regulations prohibiting parking at all times are listed on the attached resolution. This resolution is an update of resolution 82-323.
