Honorable Members In Session:

SUBJECT: Fair Oaks Boulevard/Cadillac Drive Drain (PN:WA16) - Resolution  
Approving Negative Declaration

SUMMARY

The Environmental Coordinator finds that this project will not have a significant adverse effect on the physical environment and, therefore, recommends that the project and a Negative Declaration be approved by the City Council.

BACKGROUND

In accordance with the State EIR Guidelines for implementation of the California Environmental Quality Act of 1970, dated June 1986, an initial study was performed. As a result of this study, it was determined that the Fair Oaks Boulevard/Cadillac Drive Drain would not have a significant adverse effect on the physical environment, and a Draft Negative Declaration was prepared.

On July 13, 1987 the Negative Declaration was filed with the County Clerk. On July 14, 1987 Notice of Opportunity for Public Review of the Draft Negative Declaration was published in the Sacramento Union. The appropriate length of time has elapsed for comments regarding the Negative Declaration with no comments having been received.

The portion of Fair Oaks Boulevard between Cadillac Drive and the H Street Bridge is subject to flooding during times of heavy precipitation. This project will improve the drainage ditch and provide storm drainage pipe to eliminate the flooding condition.

RECOMMENDATION

The Environmental Coordinator recommends that the attached resolution be passed which will:

1. Determine that the proposed project will not have a significant effect on the environment.
2. Approve the Negative Declaration.
3. Approve the project.
4. Authorize the Environmental Coordinator to file a Notice of Determination with the County Clerk.

Respectfully submitted,

THOMAS M. FINLEY  
Engineering Division Manager
