**SUBJECT: AWARD OF UTILITY RELOCATION CONTRACT FOR
SACRAMENTO CONVENTION CENTER EXPANSION (PA11)**

LOCATION and COUNCIL DISTRICT

1100 14th Street (Convention Center); Council District 1.

SUMMARY

This project has been advertised for bids, and bids have been received. This report requests that City Council accept the bids and award the Utility Relocation contract for the Sacramento Convention Center Expansion (PA11). The project will relocate City utilities in 14th Street between J Street and K Street.

STAFF RECOMMENDATION

It is recommended that the City Council adopt the attached resolution accepting bids and awarding the Utility Relocation contract to Cardoza & Lauziere, Inc., the lowest responsible Bidder, in the amount of Two Hundred Sixty-eight Thousand Nine Hundred Seventy-four and No/100 Dollars (\$268,974).

BACKGROUND INFORMATION

On July 23, 1991, City Council approved the Contract Documents for the Utility Relocation project, and authorized the solicitation of bids. On September 17, 1991, bids were received and opened by the City Clerk's Office. Five (5) bids were received, and the results are as follows:

1.	Cardoza & Lauziere, Inc.	\$268,974
2.	McNamara & Smallman Construction	\$305,000
3.	T & S Construction Company, Inc.	\$309,102
4.	EMSCO of San Francisco	\$328,328
5.	Daniel Ontiveros Construction Co.	\$450,000

Utility Relocation Work and Project Schedule:

On October 4, 1988 the City Council certified the Program EIR as complete and adequate under CEQA, and on October 25, 1988 the Council Approved the East Alternative and issued Findings of Fact and Statement of Overriding Considerations.

City Council
Re: Award of Utility Relocation Contract (PA10)
September 26, 1991
Page 2

The East Alternative site project project description includes blocking and closure of 14th Street between J Street and K Street to combine the existing Convention Center site with the block directly to the east, excluding St. Paul's Episcopal Church and the Panattoni building. In the City of Sacramento, closure and abandonment of a City right-of-way requires prior relocation of utilities within the right-of-way. Relocation of electric, telephone and natural gas utilities is being accomplished by the individual Utility companies, while the Utility Relocation project will provide for relocation of City utilities.

Development of the project in accordance with the Expansion project schedule requires assembling the Expansion site and relocating the utilities within the 14th Street right-of-way so that a complete and ready-for-construction site can be turned over to the General Contractor for facility construction. To ensure completion of utility relocations before the scheduled start of construction, the Utility Relocation contract should be awarded, now. Delaying utility relocation activities until a future date nearer the scheduled start of facility construction would cause any unforeseen delay in the utility relocation work to delay the start of facility construction.

FINANCIAL CONSIDERATIONS

The 1991-92 FY budget includes \$20 Million funding for the Community / Convention Center Expansion project. The portion of the project funding budgeted for "Street Abandonment and Utilities" is sufficient for execution of the contract to relocate City utilities from 14th Street between J Street and K Street.

The low bid submitted by Cardoza & Lauziere, Inc. of \$268,974 for Utility Relocation is below the project budget estimate of \$750,000 included in the July 23, 1991 staff report requesting City Council approval of the Utility Relocation project Contract Documents.

POLICY CONSIDERATIONS

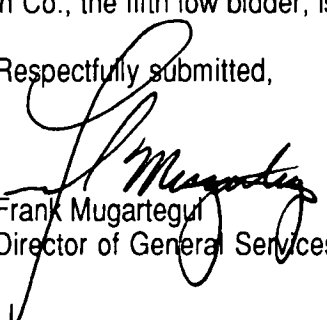

The award of a competitive bid is consistent with Chapter 58, Article III, Section 58.304.

WBE / MBE

To encourage minority participation, contract documents were sent to twenty (20) plan rooms and construction service organizations for publication. Four of those organizations are directly involved with MBE / WBE construction firms.

From five (5) bids received, Daniel Ontiveros Construction Co., the fifth low bidder, is minority certified.

Respectfully submitted,

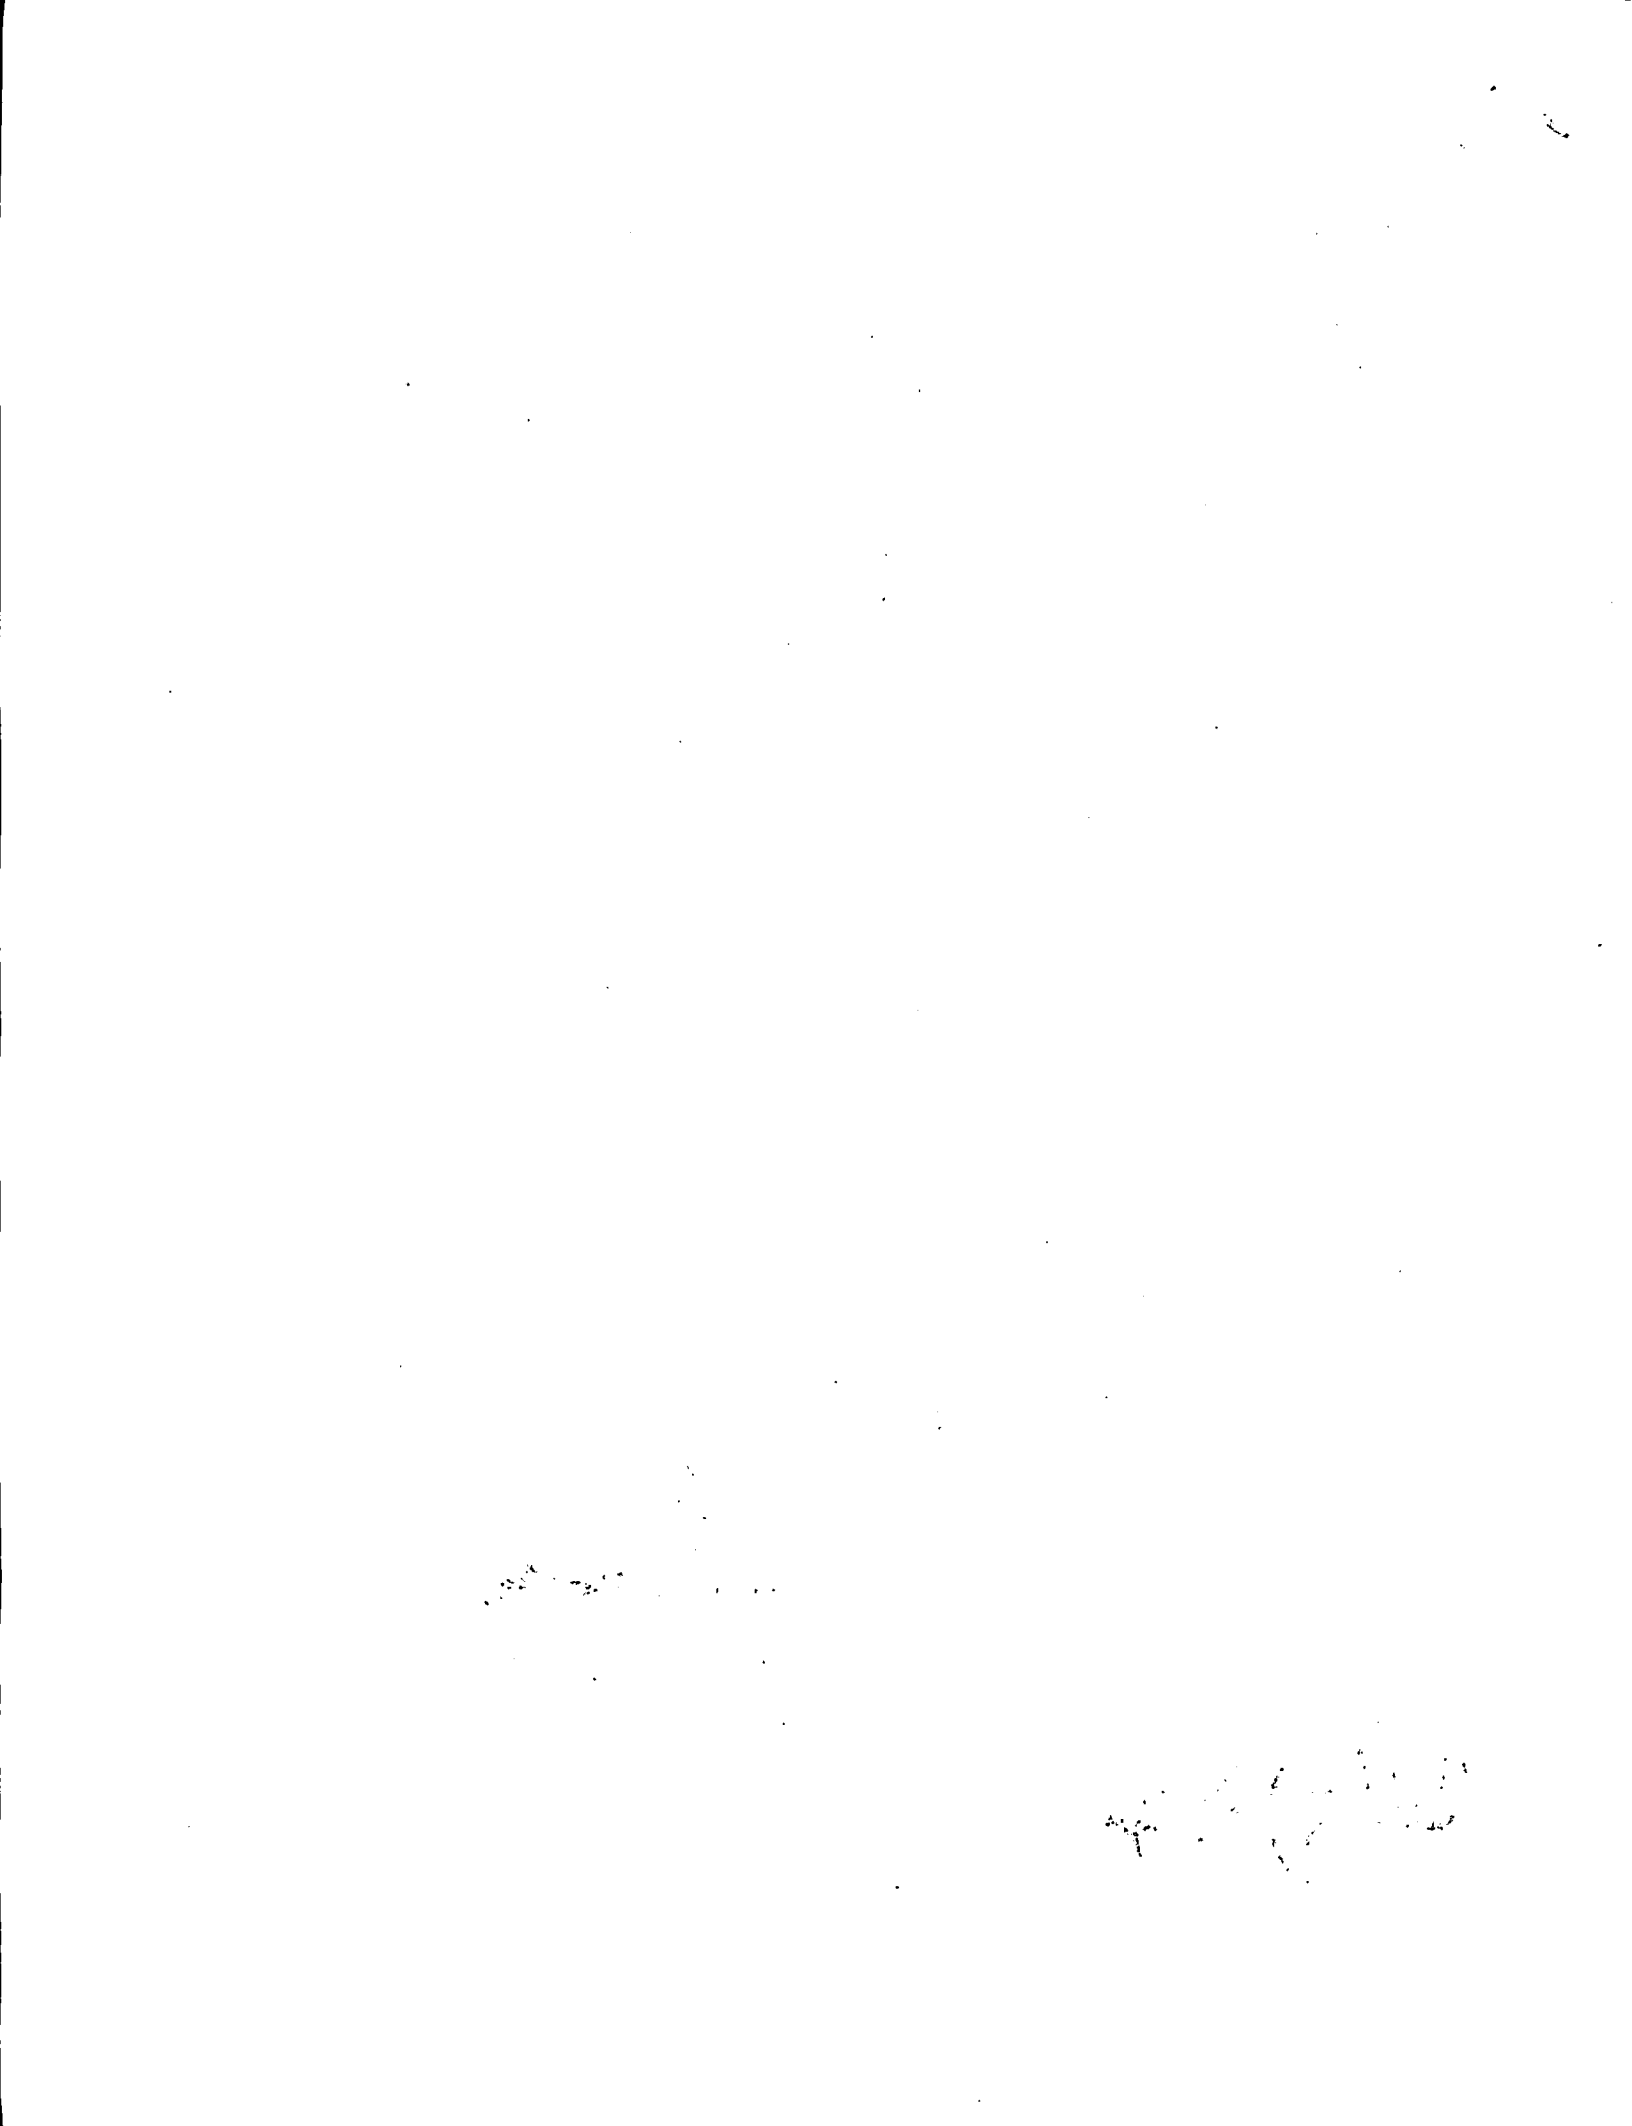

Frank Mugartegui
Director of General Services
