1-Description/Analysis

2-2025 ACCEC Annual Report - P&PE Draft

**Description/Analysis**

**Issue Detail:** Chapter 17 of the Council Rules of Procedure states that each city advisory body shall provide an annual report for review by the Personnel and Public Employees Committee (P&PE). At a minimum, reports should include the following:

- Highlights and accomplishments from the previous year and any resulting recommendations.
- Projects, priorities, and objectives for the upcoming year including resources required.

The purpose of this item is to review and discuss contents of the proposed 2025 Annual Report, to aid in communicating accomplishments, projects, priorities, and recommendations with the P&PE Committee and Sacramento City Council, and to pass a motion fulfilling the requirement that an annual report be presented to the P&PE Committee.

**Policy Considerations:** In addition to requirements outlined in aforementioned Chapter 17 of the Council Rules of Procedure, the production of an Annual Report is also in alignment with City Code

section 2.84.040(H) which states one of the Commission’s powers and duties is to “develop an awareness of the needs of artists and the community and regularly update and evaluate progress against the Creative Edge Plan” and to submit an annual written report to City Council about such progress.

2025 activities and proposed activities within the included 2026 ACCEC Workplan align with Creative Edge: Arts, Culture and Creative Economy Plan, which was adopted by City Council on July 3, 2018, and serves as the guiding policy framework for the Office of Arts and Culture.

ACCEC serves, in part, to support and advance six goals identified within Creative Edge, intended to fulfill the Sacramento community’s vision for its arts, cultural and creative future.

This item addresses all six (6) Creative Edge goals:

Goal 1: Provide arts education to all Sacramento’s children and youth; Goal 2: Advance cultural equity for all Sacramento’s diverse populations; Goal 3: Build upon and expand Sacramento’s unique creative economy; Goal 4: Enable Sacramento artists and creatives to thrive in their work and to provide creative leadership in the community; Goal 5: Celebrate and infuse all Sacramento neighborhoods and districts with arts and culture; and Goal 6: Expand and solidify Sacramento’s investment in arts and culture.

This item also proposes the following five (5) 2026 ACCEC Workplan goals:

Goal 1: Achieve greater clarity around ACCEC’s purpose and role within the City of Sacramento government; Goal 2: Enhance community awareness and understanding of ACCEC as a supportive, accessible resource dedicated to arts and culture; Goal 3: Advocate for City of Sacramento policies and initiatives that value, support, and build the arts and cultural community and ecosystem; Goal 4: Collaborate with the Office of Arts and Culture to address a variety of infrastructure needs required to sustain a thriving and sustainable arts ecosystem; Goal 5: Work with the Office of Arts and Culture to review the impact of the Creative Edge Plan and develop plans for next-stage planning.

**Economic Impacts:** Not applicable.

**Environmental Considerations:** None, as the recommendations in this report do not constitute a “project” under the California Environmental Quality Act (CEQA) as they involve government fiscal activities that do not involve any commitment to a specific project which may result in a potentially significant physical impact on the environment, as contemplated by Section 15378(b)(4) of the CEQA Guidelines (Cal. Code Regs., tit. 14, §15000 et seq.), and is, therefore, not subject to CEQA pursuant to Section 15060(c)(3) of the CEQA Guidelines.

**Sustainability:** Not applicable.

**Commission/Committee Action:** Not applicable.

**Rationale for Recommendation:** Council Rules of Procedure require that an annual report be submitted for review by the P&PE Committee.

**Financial Considerations:** None.

**Local Business Enterprise (LBE):** Not applicable.

---

Over the past year, serving as Chair of the Arts, Culture, and Creative Economy Commission has felt both deeply personal and profoundly hopeful. As a mother in this community, I understand how important it is that our children grow up surrounded by creativity, culture, and spaces where every story is valued. I have watched our commissioners approach this work with open hearts—listening carefully, asking hard questions, and remaining committed to building an arts and creative landscape that reflects all of us. Together, we have made meaningful progress while honoring the voices of artists, culture bearers, entrepreneurs, and families who call this community home. I am proud of the care and intention behind our efforts this year, and I look ahead with optimism, believing that the foundation we are strengthening today will nurture opportunity, belonging, and inspiration for generations to come.
