Please state the reason you would like to be a member of this board/commission (or attach):
 I believe in being active in civic implementations, protecting and preserving the architectural history we have been entrusted for posterity. I have a background in finance working in the private investment sector for a multimedia investment firm in New York City spearheaded by Al Gore. My financial experience includes careful study of research market trends as they pertain to potential investment strategies. I also have experience in New York City in business marketing. My educational experience for this position includes the study of Cultural Anthropological pedagogy and methodology at San Francisco State University, which is all inclusive of historical and cultural perspectives from architecture to language. As a Sacramento native I'd love opportunity to contribute my skills in finance and marketing to help preserve the architectural history of Sacramento as it pertains to significant buildings in the City of Sacramento.

Re: Application to Sacramento Heritage, Inc. Board

Dear Sir or Madam:

Enclosed is my application for a board position with Sacramento Heritage, Inc.

As a Sacramento native, I have always appreciated the important role of Sacramento in California history. Like many who grew up in Sacramento, I still remember my class trip to Sutter's Fort in the third grade. After high school, I majored in U.S. history at U.C. Berkeley before attending law school.

Based on this background, I have developed a strong belief that the largest tangible reminders of Sacramento's history -- its historic buildings -- should be restored, preserved and treasured. I believe I share the view of Sacramento Heritage that these physical representations of Sacramento's history should be consistently promoted to ensure their protection (such as through the calendar project). Such promotion should also help each new generation of Sacramentans grow up with an appreciation and respect for Sacramento's historic buildings and a desire to preserve them.

I would like to be a member of board for Sacramento Heritage, Inc. in order to help achieve these goals. I realize I have little to no background in finance (two college classes), but I am diligent, careful, and willing to devote my time and energy. I believe that, despite my lack of financial background, I could be a valuable addition to the board. That said, I would be interested in becoming involved in whatever capacity would best suit the needs of Sacramento Heritage. If the board position is not a good fit for me, please let me know if there is another way I can become involved.

Sincerely,

Eric R. Ostrem
