

Resolution

of the City Council

Commending Carl Hauge

WHEREAS, on July 25, 1989 the City of Sacramento initiated efforts to formally identify an alternative to the direct haul of the City's municipal solid waste to the Sacramento County landfill and to divert waste from the landfill to mitigate the amount of waste sequestered in landfills; and

WHEREAS, during this process the City prepared a Request for Qualification and Technical Information which was sent to 18 potential vendors of disposal alternatives; and

WHEREAS, the Materials Recovery Facility Selection Committee was formed to approve the Request for Qualification and Technical Information and to recommend to the City those companies best prepared to continue in the selection process and ultimately those vendors with whom to negotiate the design, construction, and operation of a Materials Recovery Facility; and

WHEREAS, Carl Hauge, a Supervising Engineering Geologist with the California Department of Water Resources, served as a member of the Selection Committee sharing his expertise and knowledge of international and local solid waste management practices; and

WHEREAS, Carl Hauge actively participated as a member of the Selection Committee providing extensive technical assistance to the City for two and one-half years; and

NOW, THEREFORE, BE IT RESOLVED by the Mayor and the Council of the City of Sacramento that we hereby recognize Carl Hauge for his outstanding efforts and commend him for his dedicated public service to the development of sound City solid waste management practices and cost-effective implementation of the requirements to reduce waste, recover resources, and recycle.

ISSUED: This 17th Day of December, 1991.
