OFFICE OF THE
CITY CLERK

Bids Rejected

Honorable Members In Session:

SUBJECT: Oakmont Avenue Water Main (PN:ZC06) - Bid Rejection

SUMMARY

This project has been advertised for bids. Bids have been received and rejection of all bids is recommended.

BACKGROUND

This project would replace a 3" diameter water main, which is undersized and deteriorated, with a 6" diameter water main and provide new water services for the residents.

On October 6, 1987, the City Council approved the plans and specifications for this project. On October 27, 1987, bids were received and opened by the City Clerk. The bids received were:

E.C. Thomas and Son Contractors	\$43,250.00
Sierra Valley Contractors	49,236.00
Copenhagen Utilities & Construction, Inc.	72,396.00

The engineer's estimated construction cost was \$28,500.00. Since the low bid was 52% higher than the engineer's estimate, it is believed to be in the best interest of the City to reject all bids and request rebids after the first of the new year.

FINANCIAL

The current budget for the project is \$25,000.00 which was approved in the Capital Improvement Program from Water Funds.

RECOMMENDATION

It is recommended that the City Council reject the bids for the Oakmont Avenue Water Main Project.

Respectfully submitted,

THOMAS M. FINLEY
Engineering Division Manager
