City Council
Sacramento, California

Honorable Members in Session:

SUBJECT: Approval of Plans and Specifications for Street Lighting System Modifications on 5th Street Between J and L Streets and K Street between 4th and 6th Streets

SUMMARY:

The City Engineer's office has prepared plans and specifications for the subject project. This report recommends approval of the plans and specifications and authorization to advertise for bids to be received on May 5, 1981.

FINANCIAL:

The current estimated construction cost for the project is \$76,850. Funds have been authorized by the Sacramento Housing and Redevelopment Agency to cover this cost. It is believed that bids should be received and analyzed before a final budgetary recommendation is made to the City Council.

RECOMMENDATION:

It is recommended that the plans and specifications be approved and that the subject project be advertised for bids to be received on May 5, 1981.

Respectfully submitted,

R. H. Parker
City Engineer
