Asst. Director

City Council  
Sacramento, California

Honorable Members in Session:

**SUBJECT:** Resolution Transferring Appropriations and Recommendation of Bid Award for Installation of Booster Pump at McClatchy Park

### SUMMARY:

The subject project, as a part of the City's Capital Improvement Program has been advertised for bids. Bids have been received and the Director of Public Works hereby recommends bid award.

### BACKGROUND:

On February 7, 1984, the City Council approved plans and specifications for Installation of Booster Pump at McClatchy Park and bids were received and opened by the City Clerk in the Council Chambers on February 28, 1984. Bids received are as follows:

Leo Landscape Construction	\$12,825.00
Dalves Irrigation Co., Inc.	13,060.00
C.S.V. Construction	13,760.00
B & V Landscaping, Inc.	19,971.00
R. G. Pitts, Inc.	28,000.00

The engineer's estimate of the construction cost was \$10,500.00. Although the low bid of Leo Landscape Construction in the amount of \$12,825.00 is 22.14% over the engineer's estimate, we believe that it is the best bid obtainable.

### FINANCIAL DATA:

Monies in the amount of \$12,000.00 have been approved in the Parks Division Budget from CDBG, Jobs Bill funds for the subject project. The total amount currently available for this project is \$10,592.26. It is proposed that the necessary additional funds of \$5,000.00 be transferred by Resolution from the Division's CDBG, Jobs Bill operating budget to the Capital Improvement Program, as approved by the Sacramento Housing and Redevelopment Agency.

OFFICE OF THE  
CITY CLERK

RECOMMENDATION:

It is recommended that the City Council, by passage of the attached Resolution, approve the transfer of \$5,000.00 to the Capital Improvement Program, and that the low bid of Leo Landscape Construction in the amount of \$12,825.00 be accepted.

Respectfully submitted,

J. F. VAROZZA  
Director of Public Works
